

Jan 2021 Update.

We are fine by the grace of God, thank you for your prayer and love for us.

Please pray for J. and myself, tomorrow we will be going to another town. A two hour drive away to serve 25 widows and 10 orphans. On 26 Jan. we had a good family seminar to a town where around 60 people were gathered. We had a blessed time.

Our new church is going well. We had a new Christian family join us last Sunday and possible coming another family in our home for next Sunday service.

We love you so much. We pray for you constantly.

In Him,

Y. T.
