

Grace Group Discussion Guide

Aaron Logan
John 3:1-15

Synopsis:

1. The Insufficient Counselor (3:1-2)
2. The Impossible Command (3:3-8)
3. The Immaculate Christ (3:9-15)

Questions:

1. With such a familiar text, how did hearing John 3 taught bring fresh thoughts for your walk with Christ?
2. Why is Nicodemus a character, in this encounter with Christ, that we can relate to?
3. Why is it critical that we not only recognize one must be holy in their conduct but that they too must be born again?
4. Why is being born again a radical teaching for cultural christianity?
5. How can the work of the spirit in regeneration be comforting but also a hard doctrine to walk in and understand?
6. What is the Gospel? Walk through what it is, what must be shared in order for a gospel presentation to be complete?
7. Why should you never believe you graduate from the gospel?

Prayer Suggestion:

- Pray for the Davis family, as well as Nick and Becca Swenning as her precious mother went to be with the Lord in her battle with Alzheimer's.
- Continue to pray for Pastor Scott and his health so that he would continue to be a blessing to our body as he brings the word each and every week.

Missions Prayer Requests:

Missionary Focus: Zellers in Dubai

They are still seeking to build their team! Pray they would find additional faithful, qualified, mission-minded Bible/theology professors to join with what the Lord is doing in Arabia. Pray in particular for connections and meetings during this week's Shepherd's conference that might open doors.

With the current conflict between the US+Israel and Iran (bombs within 20 miles of them), pray the Lord would bring true peace and gospel opportunity to their region, for safety for their staff and students in the UAE, and discernment about any impact this might have on travel plans over the next couple of weeks.

Mar 22, 2026

During these next few months, their leadership team and board are having a series of meetings to build their strategy for the next ten years; pray for much wisdom in planning and God to use these plans to enhance his kingdom.

They don't know where they are going to have classes in Fall 2026! This has been an ongoing challenge in Dubai but becomes more difficult as the seminary grows. They are working hard to find a more stable, longer-term facility situation for the seminary. Pray for God to provide!

Pray for their kids - Caroline, Emmett, Randall, Makaria, and Moses - to love the Lord, to grow in him, and to labor for his glory at church, work, and school. Pray for Eric & Heather to parent with unity, truth, and joy.
