

Reflections on Titus 2 -- October 17, 2019

1. What are 3 areas in which God matures Christian women? How are you doing in these areas?

2. Do you consider yourself to be doctrinally mature.? If not, what steps can you take to grow in understanding and applying doctrine?

3. List areas in your character that you think God would desire for you to mature.

Are you willing to submit these areas to Him?

4. List ways that you are currently serving God.

5. Look up the following verses:

John 15:8. How is Our Father glorified?

John 15:1-6. What must happen first in order for you to bear fruit?

Prayer for the week: Ask God to prune you so that you may bear fruit for Him.
