Congregation & Community Summary

We are a newer church (planted in 2011) and a growing vibrant group of predominantly younger families with a heart to glorify God and reach our community for Christ. Currently we average a little over 100 people each Sunday in worship.

Our mission is to make faithful disciples of Jesus Christ who pursue God's glory and kingdom in the power of the gospel.

We are situated in the suburban region of Boston's South Shore (about 25 miles from the city), an area where 40% of households have children under the age of 18. The spiritual landscape is about 2% evangelical and there are an abundance of opportunities to expand Christ's kingdom and to do further church planting.

We are a congregation of the Presbyterian Church in America (PCA).

Compensation & Time Frame

Salary TBD -- ministry expenses covered. This will be a paid part-time position that we'd like to see expand to full-time, but will likely involve some combination of bi-vocational outside work and/or missionary fundraising (depending on various factors). We have a history of connecting interns and part-time staff to business opportunities and job prospects in our community.

If the candidate is enrolled in seminary, we plan to help provide tuition assistance.

Our hope is to have someone serve in this role beginning as early as Summer 2022, with a commitment of at least 1-2 years.
