

The Discipleship Journal Bible Reading Plan offers special features that will aid you in your journey through the Bible.

- By reading from four separate places in the Scripture every day, you should be able to better grasp the unity of the Scriptures, as well as enjoy the variety of seeing four different viewpoints.
- You can begin at any point of the year.

To prevent the frustration of falling behind, which most of us tend to do when following a Bible reading plan, each month of this plan gives you only twenty-five readings. Since you'll have several "free days" each month, you could set aside Sundays to either not read at all or to catch up on any readings you may have missed in the past week
