You Need the Church – Ephesians 4:11-16

1. What four gifts are given to the church? (v.11)

2. What are four purposes given for the gifts?

3. The result of these gifts in the church is maturity of the members of the body!

How is this maturity demonstrated? List any/all you can find. (v. 13)

4. One of the primary goals of the gifts in the church and the maturity they produce is stability. In vs. 14-15a can you explain how Paul is showing, that as we mature, we become more stable.

5. True/False:

_____ As we confess the truth, hold to the truth; it produces in us growth!

6. In v. 15b-16, we can clearly see that the entire body is bonded together through the interworking of each member! Each member is vital for the body to function as it ought to function. It is essential you understand this reality! There are no second class members. Every member matters and is significant for the growth of the whole – every member!

Are there any questions you have after listening to this message?

Our response to the Word of God is critical, because the Word is the means through which the church body (the individuals) is supposed to be shaped!
