### The Danger of Divisions – 1 Corinthians 1:10-17

1. Divisions come from a word in the original that we get what English word from? \_\_\_\_\_

2. Rather than being divided Paul calls these believers at Corinth to be \_\_\_\_\_ (v.10)

3. Much of Paul's letter to the church at Corinth was very likely based on the reports of what prominent member? (v.11) \_\_\_\_\_

4. The ESV states that there is quarreling among them. The word quarreling actually can mean conflict, strife or discord. This conflict is coming from the rivalry of the believers among themselves over their differences of opinion.

Do you believe there is ever a time for conflict within the local church body?

Why or Why not?
