Featuring:

Phillips & Banks is a progressive southern gospel quartet from the beautiful mountains of East Tennessee. Married couples, Jacob and Carmen Phillips and Caleb and Autumn Banks bring a collectively distinctive and smooth sound to their music that sets them apart. They strive to communicate the hope and forgiveness that can be found through a relationship with Jesus as well as encourage and spur on fellow believers to live for him. Phillips and Banks strives to minister with authentic and transparent testimonies and music that speaks from each of the personal relationships with the Lord

Missions Moment:

Richard Brunson, Executive Director, of Baptists on Mission will share ways you and your church can be involved in ServeNC.

ServeNC is a missions blitz in your community. Imagine your whole church active in missions in your community! The dates for 2024 are August 3-10, 2024. Pick one day or several days during this ServeNC week. Imagine the impact of hundreds of churches across North Carolina serving their communities during this week!

Worship:

Rev. Jeff Olds, Minister of Music, of Salem Baptist Church will lead our congregational worship time. We look forward to a time of praise and worship together.
