# Upcoming Events

## 6/16 Father's Day | Baby Bottle Campaign

Filled baby bottles (cash, check, coins) are due to the church lobby. Please leave on the table as you enter the building.

## 7/10 Women's Dinner and Devotion | 6 p.m.

The women will gather, eat, fellowship, read the Lord's Word aloud together, and discuss insights. We will begin with the book of **Colossians** and move at a comfortable pace. There will be no goal to read it all before we meet and/or read it all during our meeting.

If you would like to read it before we meet as well, Melanie recommended an app for the phone, **WordGo**. It will allow you to read Scripture and also answer a few targeted questions as you study. Additionally there are features that enable you to set daily reading goals, etc. When you choose the Colossians course, you can select to study with friends or to do it independently (no time pressures). For the first study, it may be easier to do it on your own to get a feel for how the app flows. But, it's entirely up to you!
