

Harvest Community Church

Commitments for Community Groups

As a Community Group, we commit to gather, grow, and go together. These are the ways we will do this.

Gather

- We will attend and participate in our community group as regularly as possible.
- We will be present and attentive to one another and the Holy Spirit as we gather (silence cell phones, eliminate things that cause you to be distracted).
- We will share the responsibilities that come with our community group (meals, communication, prayer, mission).
- We'll honor one another even when we don't agree.
- We will be considerate of others in every way as we share (i.e. seeking not to marginalize any person or group, creating space for everyone to share as we practice listening as well as sharing, etc.)
- I will be committed to and thoughtful of my community by communicating at least one day in advance if I know I'm unable to attend (unless unforeseen circumstances arise such as family emergency, sickness, etc.).
- We will be active and regular in our participation during Harvest's Sunday morning worship gatherings.
- We will live under the authority of Scripture and the Harvest Elders.

Grow

- Personally, I will grow in my walk with Jesus through prayer, reading Scripture, community, service, and worship.
- We will grow in our love for one another.
- We will grow in embodying our church values (gracious, servants, hospitable, intentional disciples, and participants).

Go

- We will support and encourage one another in ministry and gospel opportunities.
- Together going into our community, we will seek gospel transformation (more to come on this!).
- As individuals, we will reflect God's image in day-to-day life and seek to grow His kingdom by making disciples.

*As Harvest Community Church, we gather as a family,
grow as disciples of Jesus, and go to our neighbors and the nations.*
