2. Out of the critiques that Jesus lays out for the first four churches, which one stands out to you and why?
3. Out of the encouragements that Jesus gives the first four churches, which one stands out to you and why?
4. Greg said, "American Christianity confuses following Jesus with the American dream." How have you seen this in your own life or the lives of others?
5. What does Revelation 2 show us about Jesus' heart for His Church?

PRACTICE

Reading Revelation 4-5

Over the next week or so, read the next two chapters of Revelation multiple times. Try reading silently and out loud. Read different translations like the NIV, CSB, NET, ESV, and MSG. Ask the Spirit for guidance as you read and take time to talk to God about what's standing out.

PRAYER

Take time to pray that at Harvest we would grow to embody Jesus' desire for these four churches.

That we would be a church marked with Love, Suffering, Truth, and Holiness.
