DISCUSSION QUESTIONS

1. Before Harvest started a series on Revelation on Sunday, what has been your experience or response to this book?
2. Greg said, "The danger (for American Christians) is being lulled into a mundane Christianity." How do you see this danger present in the church? In your life?
3. Read Revelation 1:12-17. What stands out to you about Jesus' appearance and His response to John?
4. Greg shared a story where he had childlike expectancy for Jesus' return. How does Jesus' return impact your living now?

PRACTICE

Reading Revelation 2-3

Over the next week or so, read the next two chapters of Revelation multiple times. Try reading silently and out loud. Read different translations like the NIV, CSB, NET, ESV, and MSG. Ask the Spirit for guidance as you read and take time to talk to God about what's standing out.

PRAYER

Spend time thanking God for how you saw Him at work this last year.

Share with the group one way you could use prayer for the upcoming year.
