                  **D**    **D7**    **G**                    **D**    **D7**                    **G**  
Let the water and the blood, from Thy wounded side which flowed,

Be of sin the double cure; save from wrath and make me pure

Could my zeal no respite know, could my tears forever flow,

These for sin could not atone; Thou must save, and Thou alone
