Heart For Winter Haven Spring Event
Hearts In Bloom
March 27, 2025 - 6:30 pm

Dear Friend,

At Heart for Winter Haven, We believe each person has inherent worth and value, as we are all created in the image of God. Our desire is for all people to see poverty in light of broken relationships, and to see themselves as restorative healers, binding the brokenhearted. Each year, we invite our community to come together in support of our shared vision for our children and their families.

We're thrilled to announce our upcoming Spring Event and Auction, themed "Hearts In Bloom", set to take place at Venue 650 on Thursday, March 27, 2025. This evening of excitement will bring together friends, family, and supporters for a night filled with great food, lively entertainment, and the thrill of bidding on unique and highly sought after auction items!

For this event, we are specifically dedicating the proceeds to Heart for Winter Haven's housing initiative to help continue to provide the children and their families in our community with stable homes. **To help make this vision a reality, we're reaching out to invite you or your organization to contribute a special item or exclusive experience for our auction. Your donation will directly impact the growth and improvement of our housing options, enhancing our ability to offer security and stability.**

Thank you for considering this opportunity to make a meaningful difference in Heart For Winter Haven. If you'd like more information or have any questions, please don't hesitate to reach out to Jenna Henderson: Jenna@heart4wh.org or 850-524-3843.
