

JOBS FOR LIFE

Heart for Winter Haven's Jobs for Life (JfL) program completed it's 9th graduation on May 2nd in unique fashion. The first ever graduating class of 15 inmates at the South County Jail traded their prison attire for a cap and gown... and celebration! The event was featured on Fox 13- click [HERE](#) to see the article. Since then, four of them are already out and have started jobs!

WALK FOR LIFE

Walk For Life, a first-class fashion show fundraising event, was held on May 18th at Redeemer City Church. All proceeds went to support Heart For Winter Haven. A special thank you goes out to Bunny Reeves, Belk Department Store, and local fashion designer Hodette Radway for supplying the amazing fashion for our local models!

STARRY KNIGHTS

Starry Knights, an annual banquet celebrating the unsung volunteers at non-profits throughout Winter Haven, took place May 19th. Joanne Torres, a former Jobs for Life (JfL) graduate and current Champions Team Leader, and Bee Gallison, JfL Site Leader (both at South County Jail) were recognized as the 2019 Volunteers of the Year! The event, hosted by Kurtis Flanders and Loads Of Love, and sponsored by Freedom Church, was launched by H4WH to serve our non-profit community.

PASTORS PRAYER BREAKFAST

Heart For Winter Haven's Quarterly Pastors Prayer Breakfast was held May 30th at Heartland Church. The purpose of the breakfast is to provide pastors the opportunity to build relationships with each other, to share and inform about opportunities to serve, and to pray for our area churches and the concerns facing our city. The next Pastors Breakfast is scheduled for September 12th!
