Who are we?

OUR "UNIQUE SERVING PROPOSITION"

We believe poverty has been misdiagnosed; it's rooted in broken relationships. We bring people together through collaborations that restore relationships, build resources, and grow community.

OUR VISION...

- By December 31, 2025, we will directly impact the lives and homes of 1,000 families.
- By December 31, 2025, we will launch the Center for City and Life Transformation
- By December 31, 2030, we will ensure there isn't a single homeless child in Winter Haven.

OUR MISSION

- C** **Connect** all sectors of our city together (churches, businesses, non-profits and city leadership)
- A** **Alleviate** poverty, in all its forms
- R** **Restore** relationships
- E** **Elevate** the entire community

Why serve?

Being a CARE Crew Volunteer is a crucial role in accomplishing our mission. CARE Crew volunteers serve in all areas of ministry, with opportunities of various time commitments and skill levels. There IS a place for you!

Your participation and partnership with us will bring to life programs and events that will help shape our vision of ending childhood homelessness by 2030!

Our desire is for all people to see poverty in light of broken relationships, and to see themselves as restorative healers, binding the brokenhearted. You can join us in making a difference! Together, we are ordinary people creating an extraordinary community here in Winter Haven!
