

Reflection Prayer and Praise
March 1, 2026 – 6-7 pm

1. Praise for God's faithfulness to Harvest through the years.
 - You grew this church from a Bible study to a church plant, provided a pastor – Brian Sleeth – who trained up officers and grew that church plant into a particularized church.
 - You took a people who were meeting at Patuxent High and gave them a building of their own and provided the funds to place the annex where it is today.
 - You provided Rich Good to pastor us when Brian felt called to plant another church.
 - You gave Mrs. Barrett the desire to sell the duplex to us and gave her the means to grant us a loan.
 - You helped us add a foyer to our building, expand our sanctuary, and build a nice office space.
 - You provided Barry Noll when Rich Good was called to pastor a church in Georgia and led him to teach us to pray.
2. Praise God for the provision He has already given us that allows us to pursue this project.
 - Lord, we praise you that we are free of debt!
 - Thank you we were able to save money to use to obtain professional advice from architects, builders, and others.
 - Thank you that we have talented and knowledgeable men and women in our congregation with the background, vision, and desire to establish a foundation that we can build on.
 - Thank you that you have professionals who understand the special needs of churches and are partnering with us in this gospel work of building a building where we can love and disciple our legacy – ours and our community's children.
3. Pray that our vision aligns with the Lord's and that His will would be done at Harvest.
 - Father God, we thank you for your vision for the growth of Harvest Fellowship, for this generation to commend the mighty acts of the Lord to the next generation.
 - We humbly ask that you continue to light our path towards your goal of bringing the Gospel to our community.
 - We, as Your children, ask you to provide all that is needed to complete and carry out this LEGACY project. Remind us that we aren't just building a building. Remind us that we are building disciples!
 - We pray Lord that you will enlarge the hearts of this flock to support and persevere through this time, with a love of those God has already brought and those who are not yet here.
4. Pray that our Lord will continue providing and that we will wisely use what he gives us to honor Him.
 - Lord, we pray that we will remain focused on You “so that we may no longer be children, tossed to and fro by the waves and carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes. Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ” (Ephesians 4:14-15).
 - Help us recognize and honor your provision, including riches, materials, talents, and desire, during this project.
5. Pray that, above all, God would be glorified through our efforts in this Initiative and that this would continue a legacy of honoring the Lord and growing disciples here in Lusby and greater Southern Maryland.
 - Almighty God, we pray that your Glory will shine brilliantly in our community.
 - Grow your children to maturity in Christ, gift us in relationships, and help us be your disciples.
 - Help us to find, gather, and shepherd your sheep. Draw your people to yourself. May they find You in our midst.
 - Father, we pray that future generations will flourish because of Your work begun at Harvest Fellowship so many years ago and continuing now with this LEGACY Initiative.
