Discussion Questions - These are a conversation starter and guide, not a script.

1. Write out all the truths that we can learn about the Word from vv. 1-2. What false notions about Jesus are there that these verses refute? Why is it so important that we have a true understanding of who Jesus is? See 1 John 4:1-3.

2. What does it mean that all things were made *through* the Word (v. 3)? How does this inform our reading of Genesis 1-2 and God's creation of all things? What are the implications of Jesus making all things? See Colossians 1:15-17.

3. What does it mean that the life that is in Jesus is the light of men (v. 4)? How does Jesus' life illuminate our lives? How should knowing that "**In Him was life**" (v. 4) properly orient our lives to Jesus?

4. Read John 3:19-21. What is the relationship between light and darkness? In John 1:5, what does the darkness try to do to the light? What does the light do to the darkness? How have you seen this to be true in your life and in those around you?
