Kyle & Valentina

Dear friends and family

What a joy it is to be able to write to you after months so full of life, challenges, and blessings! Our hearts are overflowing with gratitude to the Lord for His constant faithfulness, and to each of you for walking alongside us. Your prayers, words of encouragement, and generous support have been key instruments in advancing the Kingdom with every step we've taken. Today, we want to share with you a summary of all that the Lord has done during this time. As we look back, we can only declare: God has been good!

PERSONAL LIFE

- **We're going to be parents!** We're so excited for this new chapter of life. We are filled with joy, a deep sense of responsibility and gratitude. We have truly seen God's goodness in our lives during this season. thank you for celebrating this gift from heaven with us!
- **We moved into our home!** After much prayer and waiting, the Lord allowed us to move into our own home. This place has been not only a space for rest, but also for opening our doors to others and building community.
- **Valentina graduated with her photography degree.** Through hard work, perseverance, and God's abundant grace, she was able to complete this chapter of her life. We're proud of her and give glory to God for His faithfulness in every step of the journey!

Home group

As a couple, we made the decision to start a home group. Week after week we share time in prayer, the Word, and fellowship with around 12 people. It has been a space filled with transformation, vulnerability, and growth. Seeing how God works in each heart fills us deeply.

MISSIONS & TRAVEL

This year, we had several opportunities to travel to Ralco, both with the ICI Oriente team and with Oasis, where we worked hand in hand with local communities, supporting evangelism, discipleship, and practical help. On another visit, we were part of a team focused on cultural and culinary experiences—a creative and powerful way to connect with the Pewenche people through service and food.

MINISTRY LIFE

- Valentina has been serving at ICI Oriente, our local church, supporting the social media and photography ministries.
- Kyle has had the opportunity to preach more frequently at church, which has been a great personal and spiritual growth experience. This year, he also had the privilege of officiating two wedding ceremonies, walking alongside couples during such meaningful moments in their lives.

MISSIONS & TRAVEL

- Kyle participated in a “100 Men” trip to Ecuador, an incredible experience of service, fellowship, and sharing about God. Additionally, we had the opportunity to travel together to Ecuador again, recording content in different churches with the purpose of showcasing what God is doing there. Three different teams also served at the six churches which was a tremendous blessing and encouragement to our team in Ecuador.
- In June, we were invited to a missionary retreat organized by Canyon Hills in the U.S. It was a blessing to get to share with other missionaries about what God is doing in different parts of the world. We felt it was a gift from the Lord and a clear sign that He continues to care for us in every detail.
