**FEED the NEED**

**A UNIQUE EXPERIENCE**

Feed the Need trains our students to be globally aware, mission-minded, and service-focused in an "I" centric world. This campaign provides a rare opportunity to bring the experience of an overseas mission trip to our campus. All funds raised during our event will go to our school. From those earnings, we will invest back into the mission of Feed the Need by packing and shipping meals around the world.

**WHY DOES MY FAMILY'S PARTICIPATION MATTER?**

At the heart of our community is a shared belief in the power of a Christian education. We are deeply committed to providing high-quality, affordable education that nurtures both the minds and hearts of our children. However, to continue this mission and enhance our school, we need your support. There is often a significant gap between the cost of providing this invaluable education and the revenue from tuition fees. Additionally, we have ongoing projects and dreams for improvements that will further enrich our students' experiences. Your involvement in our fundraising efforts is not just about bridging a financial gap; it's about joining a collective mission. Together, we can create a nurturing environment where children can thrive both locally and globally!
