

Dear Parents,

Mrs. Lila Suchocki will be available again for private and semi-private music lessons this year for HCA students in Grades 3-8. This program is described below. If you have any questions, please call Judy Bleau in the school office; 508-829-4418 or send her email at jbleau@holdenchristianacademy.org. Completed forms should be returned by September 20, 2013 so we can put together the schedule. Limited time slots are available, so it is important that you get this form in *right away*. Slots will be filled first come – first served.

SCHEDULE

Lessons will begin the week of September 23. Music lessons will be given during school hours on a rotating schedule so children will not miss the same class time each week. Every effort will be made to avoid having students miss “specials” classes that occur only once a week, or any classes in which they might find a struggle to keep up. Students will be responsible to make up the classroom work that is missed during lesson time, and to practice their instrument during the week. Each lesson is one-half hour long, once per week.

GROUP SIZE

Private and semi-private lessons will be offered, with availability based on interest/experience level, and scheduled time slots. The teacher will communicate with parents if she feels any student’s learning style and ability warrant a different group size once lessons start. She will also communicate with you if any student is beyond the level of lessons being offered, at which point a specialized teacher would be recommended to you for the following term.

LESSONS AVAILABLE

Acoustic Guitar	Bass	Clarinet
Electric Guitar	Violin/Fiddle	Flute
Keyboard/Piano	Drums	Trumpet

FEES

The Lessons Fee will be \$16.00 per lesson for private lessons and \$10.00 per lesson for semi-private. Fees are due at the beginning of each term. Please do not send payment now; you will receive a bill when the schedule is completed.

Lessons will be scheduled around field trips and school events, so there may be a week where only some students have lessons, or a lesson day may be switched. If your student receives fewer than the scheduled lessons this term due to a school scheduling conflict, teacher absence, or school cancellation, your fee for the following term will be adjusted accordingly.

PAYMENT POLICY: Payments for the term will be due by the first day of lessons. A note confirming your child’s lesson day, payment amount due, and payment instructions will be sent home by September 24.

If payment is not received by October 10, 2013, lessons will be suspended.

Student Name _____ Grade _____

Instrument _____ Level (or years of experience) _____

Group size preferred
_____ Private _____ Semi-private (2 students)

Special requests/notes: _____

I understand that my child will miss class during this music lesson and will be responsible to make up any classroom work missed. I understand that by taking music lessons, my child will have the responsibility to practice their instrument at home each week. I understand that if payments are not made by the third week of each term’s scheduled lessons, lessons will be suspended.
