

Middle School Summer Math Boost

Monday, August 17-Thursday, August 20

5th grade: 9:45-10:45 a.m.

6th grade: 11:00-12:00 p.m.

Fall easily back into the school year by clearing the cobwebs with us! Students will have the opportunity to practice basic facts and skills with games. We will also take a peek at the coming year in math to alleviate any anxiety. The focus will be on fun as we review our math skills!

7th grade: 9:45-10:45 a.m.

Get ready, Set, GO! These classes will present the foundations of Algebra and are geared toward having fun. We will sharpen our math skills by using games and puzzles. Students will also be introduced to the Prentice Hall PreAlgebra book we will be using in the Fall. Students are welcome to come to any or all of the four classes.

8th grade: 11:00-12:00 p.m. (*Open to PreAlgebra and Algebra students*)

On your mark... Practice and Refocus! This week will challenge students to dust off their algebra know how and sharpen their problem solving skills. We will practice using games and word problems. Students will have the opportunity to ask questions about their math summer work. Students are welcome to come to any or all of the four classes.

Cost: \$20/day or \$75/week (Mon-Thurs)

Please email Christine at admissions@holdenchristianacademy.org

to register for any of all of the four days!
