

Will you please take a few minutes to help us?

The School Committee has once again asked if the parents would each write a sentence or two about HCA for our Annual Appeal letter. They need to know what makes HCA stand out and why you chose to send your child here. Snippets of your answers will be used in the letter. They were a big hit last year! Thanks so much! A bulleted list is fine!

Then, for our accreditation project will you please complete the following?
