

***As you study what Jesus Says in this week's passage, consider the following questions:***

- What do we learn about God—his character, nature or work?
- What do we learn about ourselves and/or our world? (Consider areas of sin, darkness, weakness, or failure, etc).
- How is Jesus presented as the answer to the brokenness, sin, and weakness that we see in the world and in ourselves?
- What does a faithful response to what *Jesus Says* look like?

*Pray as a Life Group and in your own personal devotions that you would live in light of what Jesus Says, empowered by the grace of God.*
