

FAITH UNDER FIRE

“Science vs. Religion”

May 28, 2025

Isn't Science about "Sure/Tested Facts" ...While Religion is about Personal, Unreasonable Faith?

How to Talk about “Science” Tonight...

- (1) Science is Done by LIMITED Humans!
- (2) What Really Matters to You & Other Human Beings?

(1) REMEMBER ...“Science” is Still Human Beings Using Human Intellect and Human Data Gathering to Try and Understand Complex & Infinite Things!

... “Theoretical Physics” = “Scientific GUESSES”

...NO GOD—But... a “GRAND DESIGN”?????

...Are you Really “Grateful” for Such an Existence??? ... “Fate w/o direction” ...No afterlife!!

Science has Labs and Data and Formulas and Math Equations—Does Science Ever Get it WRONG?

...Fathom This—One Little Discovery shifted the conclusion of "Science" from 75,000 yrs to over 4.5 Billion Years!!—

...Why did some "scientists" "DOUBT" ...because they operate science BY FAITH!!

...Yet, "SCIENCE" treats Faith in a Creator like it is an Impossibility and Unintelligent!

... Science => "Time + Chance = Clear Conclusion!!" ...That's “Faith” not a Scientifically Tested Reality!—That's Just Kicking Up DUST & Multiplying MYSTERY!

So... 1st - Science Doesn't Have Some "Superior", "Higher" Ground to Offer Us—It is Limited Human Intellect, Dipping a Thimble Into Infinity and Explaining Things!!

(2) Educating Your Existence has ALWAYS Needed More Than Mere SCIENCE!!

... Science ...Humanities ...Art —HISTORY ...SOCIAL STUDIES PHILOSOPHY ...ART

***...Human Beings—Unlike Rocks, Plants, Water, Animals—Want to Know WHY We Exist!!
...we Live Life Chronically Seeking to Understand: ...WHERE did I Come from?
...WHY am I Here? ...Where am I Going?***

"The WEST" ...Kevin Costner on the History Channel

... "Wonder" ... "Opportunity" ... "Possibility" ... "the American Dream" ... "pay the price" ...
"ambition" ... "willing to fight and to die for it" ... "violence & murder" ... "Hope, despair,
beauty"

Kevin: "These Stories Will Captivate Us..."

***...Let's Be Real—You Know More about TAYLOR SWIFT ...than Albert Einstein or
Stephen Hawking Combined!!***

Taylor Swift's Eras Tour - 10MM+ people ... \$2Billion [Higher than the GDP of 260
countries] ...\$204/ticket ...

QUOTING Taylor

WHY is "Science" NOT the Ultimate big deal to you guys—Not Like Other Things!!

***REMEMBER: Science Discusses "MATTER", but You Need History, Philosophy, Art,
Religion to Discuss the Things THAT MATTER!!***

The #1 Thing Humanity is ALWAYS Doing Is Trying to "Figure Out" & "Improve" Our
EXISTENCE!!

Gen 1:1-5 ... "Creation"

... "God" ... the heavens and the earth ...a unique condition—"without form and
void"

... light ... time

Gen 1:8-11 ...the Universe ...dry land ...seas ...botany

***According to the ONLY Eye-Witness to Our Original Existence—Creation Has More
than One Dimension!***

...But Science Can Only Observe & Perceive "MATTER" ...it Cannot Perceive Everything That
MATTERS in Life!

***...When it comes to the Life you're Seeking to Live—The Stuff that Matters
the Most doesn't answer to Math & Science Formulas!!***

***...Those are "Words & Experiences That MATTER" ...but they're not discovered in
a "Study of Matter"***
