

Media Opt-Out Form

Dear IPCer,

We will be taking many pictures and some video at church this year and would like to post to our website and Facebook page so that church members and friends can get a peek into our ministry activities. Please note that we will never include names with the photos on the website or Facebook except in exceptional circumstances, like the pastors or the Council elders who are representatives of the congregation. We also use photos in our electronic version of the IPC monthly Update.

However, we understand that certain individuals will not be able to allow their photos or video footage of their faces to appear in printed or electronic form. Therefore, please complete and return this form to the IPC Office specifying your needs. You may refer to the IPC's Media Usage Guidelines document on the IPC website for more information as well. Let us know if you have any questions.

In Christ,

IPC Office
