

## Bible@10

*Bible@10 is a weekly profitable Bible study to deepen our love for God and equip us to serve others. Our vision is to delight in God's Word and live out Christ!*

Our study of John's Gospel will be completed by the end of March, and we will continue with 2 guidebooks, "Romans 1-7, The Gift of God" and "Romans 8-16, In View of God's Mercy", both by Timothy Keller.

The Apostle Paul wanted us to realize something of eternal importance and life-changing liberation: that God gives people a right relationship with him. "The gift of God" he told them, "is eternal life in Christ Jesus our Lord" (Romans 6:23). In the first guidebook, you'll see Paul teaching us about this gift of being right with God. You'll discover why, however religious we may be, we are not naturally righteous; how it is that, in Christ, God makes the unrighteous righteous; and what being righteous means for our future and our present. And, as you unwrap this gift of God—as Paul challenges, teaches, and thrills you—you'll find that your lives, identities, and perspectives are transformed. The gospel makes a difference, not only to our eternal future but to our present perspectives and priorities, attitudes, and actions. The second guidebook will show you why to, and how to, live in view of God's mercy.

We meet Sundays from 10 am to 11 am in church, usually in the Reboulet room in the French Church. Any changes in venue will be announced ahead of the session. Come join us – anytime! And even if you cannot make it every single Sunday, you will still benefit from the study and enjoy the group.
