HISTORY OF THE SCHOOL

The vision for a Christian school in Giles County originated from Pastor Shahn Wilburn in 1993. RBC had developed strong youth programs, Children's Church, AWANA and Sunday School Ministries at this time. He wanted our children to see and hear about God in all aspects of education. Organizational meetings helped to discern a commitment toward Christian education. After much thought and prayer, Pastor Wilburn and Riverview Baptist Church decided to begin Jefferson Christian Academy in the fall of 1994. JCA opened its doors in August of 1994 with 24 students from kindergarten through fourth grade and three teachers. Today, we have 80+ students enrolled from kindergarten through 12 grade and 10 full-time teachers for the 2018-19 school year. Proverbs 22:6 states that we are to "train up a child in the way he should go."

The prevailing humanistic philosophy in society and government school was identified as an obstacle to acquiring an adequate, balanced education. Through definite steps of faith, the goal of educating children in a Christian environment soon became a reality. From this beginning, and by the grace of God, Jefferson Christian Academy was formed in January 1994 as a ministry of RBC.

Our goal at JCA is two-fold. One is being able to offer a quality education, and two is to honor God in all we do.

JCA, a private, multi-denominational school in Ripplemead that attracts students from across the two Virginias. Students come from as far as thirty-seven miles away to take advantage of our nurturing, supportive environment. The challenging curriculum has produced some entire grades in the ninetieth percentile on the national standardized tests.

The school is affiliated with the Old Dominion Association of Christian Schools (ODACS) headquarters in Richmond, Virginia. The association offers regional academic and sports competitions from which JCA has taken home many top honors. We have been blessed to have some students compete at the national level and come home with honors.

JCA offers a challenging curriculum, safe environment, dedicated teachers, parental involvement, high behavioral and academic standards, and above all a love for the Lord Jesus Christ. We firmly believe our school motto, "The fear of the Lord is the beginning of wisdom: a good understanding have all they that do his commandments: his praise endureth forever." Psalm 111:10.

STATEMENT OF FAITH

Convinced that the Bible is the complete, inspired Word of God, our sole authority for faith and practice, we affirm the following truths:

- We believe the Word of God is the foundation of all truth.
- We believe in the Triune God – God the Father, God the Son, and God the Holy Spirit.
- We believe in the virgin birth of Jesus Christ, the only begotten Son of God.
- We believe in His sinless life, His vicarious atonement for the sins of mankind by the shedding of His blood on the cross.
- We believe in His bodily resurrection from the dead and His imminent return to earth for His saints.

- We believe that God is the Creator and Sustainer of all things. We believe the Genesis account of creation in which the universe was made in six days of twenty-four hours each. We believe in the creation of man as a direct act of God.
- We believe that man, having rebelled and fallen from his blessed state with God, is morally and spiritually depraved. He is a sinner by birth and by choice. We believe in the salvation of men by faith alone in Jesus Christ.
- We believe in the saved going to a literal Heaven for eternity, and the unsaved going to a literal Hell for eternity.
- We believe our unity is found in the person of Jesus Christ who is “the way, the truth, and the life” (John 14:6).
- We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between one man and one woman. We believe that any form of sexual immorality; including homosexuality, lesbianism, bisexuality, incest, fornication, adultery, and pornography are sinful perversions of God’s gift of sex. We believe that God disapproves of and forbids any attempt to alter one’s gender by surgery or appearance. We believe that God disapproves of transgenderism. (Gen. 2:24; Gen. 19:5, 13; Gen. 26:8-9; Lev. 18:1-30; Rom. 1: 26-29; 1 Cor. 5:1; 6:9; 1 Thess. 4:1-8; Heb. 13:4).
- Students, faculty, and staff will be addressed and treated according to their God-given physical gender at birth, with no exception. Males will be addressed as “him” and “he”, and females will be addressed as “her” and “she.” Psalm 139:13-16
- We believe that the only Biblical marriage is the joining of one natural man and one natural woman. We believe that a person’s gender is defined by the God-given biological gender at birth. (Gen. 2:24; Rom. 7:2; 1 Cor. 7:10; Eph. 5:22-23)
- Applicants and parents must be in agreement with the JCA Statement of Faith, school philosophy, and policies and must sign a statement of agreement with them.

MANAGEMENT

SCHOOL BOARD

- **Membership**– The Board is composed of members from the host church as well as other churches in and around Giles County. Important characteristics of board members are educational philosophy, commitment, maturity, and evidence of Christian growth in their lives. The board is responsible for the overall philosophy, operations, policy, and finances of JCA.
- **Meetings** – The Board holds regular meetings on the 3rd Tuesday of each month. Any parent or concerned citizen is welcome to attend the open session at the beginning of the meeting. Closed sessions are then held to discuss sensitive matters, such as personnel and discipline. An agenda for each meeting is usually available before the meeting. Contact the JCA school office to obtain a copy.
- **Participation** – Any parent wishing to address the Board or place an item upon the agenda for discussion should send a written request to the chairman, or JCA office, detailing the issues to be discussed, at least four days prior to the meeting.

ADMINISTRATION

The day-to-day operations of the school are coordinated and conducted by the Administrator, Dan Spencer and Assistant Administrator, Jennifer Gilmore and the office administrator Amber Duncan.

EDUCATIONAL PHILOSOPHY

Because as Christians, we are to live lives that bring praise to our Savior, we are constantly striving to meet high expectations. For that reason, Jefferson Christian Academy expects the best from each student in every area: spiritually, academically, socially, and physically. All students are not expected to achieve the same level, but each is expected to do their best. God commands us to live holy and pure lives. Thus, each student is encouraged to make a habit of personal prayer, Bible reading, and witnessing; student to attend their home church regularly and be involved in the ministries there as much as possible.

The school will do everything in its power to provide an atmosphere conducive to good instruction and learning. To accomplish this, we need the cooperation of parents and students. Students are expected to behave and follow the school and classroom rules. They are to respect their teachers, respect other students, take care of school/church property, textbooks, and lockers, etc.

Character development and spiritual training are important components of the educational program at JCA. Character traits such as honesty, responsibility, respect, and self-control are encouraged. JCA policies and procedures are designed to encourage these traits within individual students and to create an atmosphere where these kinds of traits are prevalent.

GOALS AND METHODS

- **Standard Course of Study** – The Jefferson Christian Academy curriculum exceeds the basic standard required by the State of Virginia for public schools, but it teaches all subjects from a Biblical perspective.
- **Basics** – Since all education must be built upon a solid foundation, we have established basic goals of intensive instruction in reading, writing, and mathematics.

CURRICULUM

- **Elementary and High School** – Teaching materials (textbooks, workbooks, audio and video tapes, and computer programs) have been selected so as to utilize the best materials available for each subject. Course materials are from firms such as Abeka, Bob Jones, Saxon, Alpha Omega, and Positive Action for Christ. All are recognized publishers of quality materials which have proven to be successful in Christian schools. Additional materials are used to build comprehensive skills and to fill in gaps in the standard course materials. Bible is taught in all grades and chapel services are conducted weekly, which all students are expected to attend. All subjects at JCA will be taught from a factual and Christian perspective. Creationism will be taught as a scriptural fact and absolute in all grades.

The curriculum is approved and adopted by the School Board each year and must not contradict the views and beliefs of Riverview Baptist Church. The board must approve any classes taken outside of the adopted curriculum before enrolling in said class(s) for that class to become a part of the student's transcript.

TEACHERS

- **Qualification** – All teachers have been through an intensive selection process, including interviews by the personnel committee of the Board, and have been found to be qualified spiritually and academically. A number of specialist instructors are utilized, particularly in music, math, graphics, foreign language, science, and computers.

AFFILIATION

Jefferson Christian Academy is a member of the American Association of Christian Schools (AACCS) and ascribes to its Statement of Faith. AACCS is an organization of more than 3000 Christian schools and, through its Virginia affiliate, Old Dominion Association of Christian Schools (ODACS), we participate (fourth grade and above) in competitions, both athletic and academic.

ADMISSIONS

FAMILY

At least one parent or guardian of each student should be a Christian actively involved in an evangelical church and willing and able to be actively involved in their child's education (e.g. Christian training, sharing volunteer responsibilities, attending parent teacher conferences). Under special circumstances, the admissions committee may waive one or more of the above requirements if it believes it is in the best interest of both the child and the school.

ENROLLMENT

Early enrollment open to new students is encouraged in order to secure a place on our class rosters. The following is a schedule for registration:

February 1 – Returning students (including K4), as well as any siblings

February 15 through July 15 – Open to new students until classes are filled.

Enrollment is open throughout the year.

ADMISSION POLICY

- Jefferson Christian Academy shall not discriminate against members, applicants, students, and others on the basis of race, color, or national or ethnic origin but retains the right, according to its beliefs and practices, to discriminate on the basis of religious practice contrary to the beliefs of Riverview Baptist Church and on the basis of sexual practice.
- We encourage all children in a family to be enrolled at JCA, but we do understand that JCA may not be for every child, particularly if that child has special needs which the school is not equipped to meet, or if attendance of all children is financially impossible.
- Applicants and parents must be in agreement with the JCA Statement of Faith, school philosophy, and policies and must sign a statement of agreement with them.
-  Church attendance is important; the child and at least one parent should be regular in attendance

ADMISSION PROCEDURE

- **Application of Enrollment** – A completed application must be submitted
- **Signed Statement of Support** – A statement of support of the doctrinal beliefs of Jefferson Christian Academy under the authority of Riverview Baptist Church must be signed and submitted by the parents/legal guardians of the student.

- **Minimum Age for Kindergarten (K5)** – An applicant for kindergarten should be five years old prior to September 30. Testing may be considered on a case by case as needed.
- **Testing and Placement** – Testing may be considered on a case by case as needed. Exceptions to normal grade placement are made only after the Admissions Committee, with the concurrence of the Board, has thoroughly evaluated the circumstances and concluded that the exception would be in the best interest of the child and the school.
- **Interview** –an interview with both parents and child will be scheduled. The application information, and prior report cards will be discussed, as well as the following:
 - The child’s attitude about entering a Christian school
 - Discipline or academic problems in a prior school or childcare setting
 - Regular church attendance
 - Parent participation at JCA as a volunteer.

TESTING AND REPORTS

STANDARDIZED TESTING

Comprehensive scholastic achievement tests are administered regularly to enable the teachers and parent(s) to identify the strengths and weaknesses of the student. These tests also enable the administration and faculty to determine areas for curriculum improvement. A school representative will review test results with parents upon request.

REPORTS TO PARENTS

- **Weekly Grades:** All grades will be posted to Sycamore within three days following the evaluation to keep parents informed.
- **Interim Reports** – Every child will receive an interim report at the midpoint of the first quarter. A school-wide parent - teacher conference will be scheduled at that time. In subsequent quarters, interim reports will be sent, and individual parent-teacher conferences held as needed.
- **Grading Period Reports** – Report cards will be issued at the end of each quarter.
- **Final Reports** – Final report cards for the year will be mailed to the parents at the conclusion of the school year.

GRADING

- **Components of Grades** – A grade in a course of study represents the teacher’s best judgment of a student’s academic achievement. A student’s grade is made up of various components of course work including, but not limited to classroom participation and preparation, projects, reports, homework, quizzes, tests and semester exams.

- **Grades:**

A+ 100 - 97	A 96 - 94	A- 93 - 90
B+ 89 - 87	B 86 - 83	B- 82 - 80
C+ 79 - 77	C 76 - 73	C- 72 - 70
D+ 69 - 67	D 66 - 63	D- 62 - 60
F - 59 and below I - Incomplete		

- **Effort Grades** – Effort grades (1,2, or 3) reflect the diligence, persistence, enthusiasm, interest level, and overall faithfulness of the student.

1 = Strong Effort

2 = Average Effort 3 = Needs Improvement

- **Honor Roll** – Our desire is to encourage Biblical character development along with academic achievement. For first grade and above there are three honor rolls:

“A” Honor Roll (No grade lower than an “A-“)

“B” Honor Roll (No grade lower than a “B-“)

Honorable Mention (A “B” average with no grade lower than “C-“)

- **Promotion**

Elementary School – In general, students will not be promoted to the next grade unless they have exhibited ability to satisfactorily perform the work in the present grade. A non-passing grade in math or English (this includes reading and literature) will generally require either Summer School (or equivalent remedial work) plus complete testing before promotion, or retention in the present grade until the required performance level is reached.

High School – Promotion is based on having received a grade of at least a D or higher in all required courses of study.

Students in first grade and above provide their own Bibles. JCA does not hold to the King James Only doctrine. However, students will be expected to have in school a Bible (KJV, NKJV, NASB, and NIV (1984 or prior).

This letter will include the monthly payments for both a 10-month and 12-month payment cycle. The parent/guardian will need to sign the contract and return it to the school office.

The JCA School Board must approve a one-time full tuition payment. Families that are approved for this payment option are required to make good faith payments of \$50.00 per child.

Families that choose to make two payments in the school year must make the first payment on August 5th and the second one on January 5th.

TUITION RATES.

JCA exerts every effort to keep the tuition as low as possible without compromising the quality of education offered. Before a student can begin classes, one of the standard tuition payment plans must be agreed upon or the school board must approve alternative written arrangements. A copy may be provided if requested.

- If JCA, TLC, or RBC employ both parents, the board will determine the tuition discount.
- The board will approve all discounts.
- All discounts only apply to full-time students.
- All payments are due by the 5th of the month.
- The current standard tuition rate is \$4,500.00 per student per school year.

PAYMENT PLAN

Tuition payments are expected in ten equal monthly payments. If paying monthly, the first payment is typically due on the fifth of August, with each subsequent payment due on or before the fifth day of the remaining months. If parents are unable to make a full payment, they should contact the school immediately to discuss options. JCA will work with parents as much as possible on the payment of tuition, but prompt payment is expected to allow for coverage of operating costs as they are incurred.

PAYMENTS

Parents may mail check payments to the school office, pay in person, or at the drop box located outside the school office. Checks should be made payable to Jefferson Christian Academy with a note on the check explaining what the payment covers. Cash payments may be made to the JCA secretary or school Administrator. Parents should receive a receipt for these. Payments should never be sent to school with students to ensure the school office receives the payment.

Late Payments

A \$50.00 late fee will be added if payment is not made by the due date. A further \$25 charge will be added for each successive month that each month's tuition remains unpaid. It is the parent's responsibility to notify the school if, for any reason, a scheduled payment cannot be made when due. In exceptional circumstances, the Board may postpone the fees.

Continued Delinquency

Unless the school board has agreed to special arrangements, a child will not be allowed to continue to attend classes if the account is not reconciled by the year's end. If a student, for any reason, discontinues attendance at JCA, the school will hold all school records until any outstanding debts are paid.

TUITION ASSISTANCE

Parents receiving tuition aid from a third party are responsible for having the amount of that aid confirmed to the JCA office manager by the payer. JCA will then bill the payer for that portion of the tuition due. Parents are still responsible for making timely payments for their portion of the tuition.

WITHDRAWAL

If it becomes necessary to withdraw a child from JCA, the parent should notify the school office in writing at least two weeks prior to the child's last day. Even though a child may have been absent from school before the withdrawal date, tuition charges continue until notice of withdrawal is received by the school. The total amount of tuition due upon withdrawal from JCA during the school year will be calculated by adding the net cost of days attended to the current materials fee. If a student withdraws and there are any outstanding debts, JCA will hold all school records until these debts are paid.

LOST OR DAMAGED PROPERTY

It is a privilege and an honor to be a student at JCA. All students are expected to respect and take care of the facility. It is required that the student(s) make financial restitution for damaged property. The school charges the current cost of replacement for damaged or lost school property, including textbooks.

TUITION ASSISTANCE

RENEWANATION SCHOLARSHIP DISTRIBUTION

Families will begin this process by filling out a FACTS application.

- All recipients of scholarship funds **MUST** have an approved application and have met all criteria to receive credit of funds when distributed.
- Any excess of scholarship funds above what it takes to satisfy the base tuition amount set for an applicant stays in the stewardship of JCA to go toward additional scholarships or for the school as needed.
- All funds will be distributed as directed by Renewation to applicants even if an applicant has paid their tuition in full or made payments prior to receiving scholarship funds. We do not want to discourage good stewardship or punish people that pay early etc.
- If an applicant has paid their tuition and then scholarship funds come in after the fact, the scholarship amount to that applicant would cause them to have overpaid the current year's tuition amount when applying for scholarship funds. We will refund the amount of overpayment that they paid to the applicant. The refund amount can never exceed the amount that they actually paid out of pocket.
- All applicants that are currently receiving discounts because of our current discount policy for being a teacher or pastor etc., will not be treated any differently when applying for scholarship funds. That is a current benefit - allowance for their position, and we shouldn't punish them for it.
- Anyone who has been or is receiving tuition helps in any way must apply for scholarship funds if eligible for Renewation prior to getting any tuition helps. If the applicant does not receive scholarship funds, tuition helps can be discussed as needed.

JCA AND RBC SCHOLARSHIPS / FINANCIAL AID

- **RBC Scholarship**

RBC Scholarships are available and can be applied for by members of Riverview Baptist Church. Families will begin this process by filling out a FACTS application. Applications will then be turned in to the appropriate trustee for review and approval.

- **JCA Scholarship**

JCA Scholarships are available to families that request financial aid and are not eligible for an RBC Scholarship. Families will begin this process by filling out a FACTS application. Applications will be turned in to the JCA School Board for review. Applicants will be notified following the board's opportunity to make a determination on the request. Funds for JCA Scholarships come from the Educating our Future Vision Banquet or other donations specified for this purpose.

Once enrolled, each family will be assigned an initial, generic password, which they can use to login, change their password, and set up their account. In general, the Sycamore system is used to keep families informed of school happenings, student activities and assignments, student attendance and grades, and a platform for communication between parents and teachers.

VOLUNTEER HOURS

At JCA, it is our ministry to partner with families to raise up and educate students with a Biblical worldview but we need your help. JCA runs most efficiently when we work together throughout the year because as you can imagine, it takes many hands to make our school function properly in our many endeavors. So, whether it be through tutoring or simple school clean up, we are asking each family to contribute to make our school the best it can be.

Here are a few volunteering opportunities to consider: tutoring, help with daily lunches, helping teachers grade papers, making copies, cleaning, box tops for education, help with games such as coaching, concessions, setup and teardown, help with events such as Grandparents Day, Teacher Appreciation Day, or fundraising dinners, and help with campus work days.

We are asking each family to consider donating at least 15 volunteer hours. The list above gives some ideas, but we also welcome other ideas you feel may be a good fit for your family. We will work to communicate these opportunities to you as they arise.

TRANSPORTATION TO AND FROM SCHOOL

CARPOOLS

The school does not operate a transportation system. Parents are responsible for the transportation of their children. The school will assist in the formation of carpools from various areas.

CHANGES IN TRANSPORTATION

For the protection of each child, the school must be informed of the normal mode of transport of each child. Changes must be communicated by the parent to the office manager.

FOOD

CAFETERIA

JCA does not have a cafeteria; therefore, students should bring a packed lunch to school. However, there may be Special Lunch Days (see below) where a hot meal will be prepared at the school and provided to the students. These days will be communicated to the parents in advance.

SPECIAL LUNCH DAY

Normally, each week students may sign up to purchase an optional meal supplied on Friday by a local health department approved business and served by volunteer parents. Parent volunteers will be needed for the Friday special lunch to be an option.

PARENTS EATING

Normally parents are welcome to eat lunch with their child on any day. Parents attending the Friday special meal should notify the teacher on or before Wednesday.

DRESS CODE

The dress code is our endeavor to provide guidelines in dress that will not only place the student in an attitude of learning, but also will glorify the Lord (1 Cor. 10:31 “.whatsoever ye do, do all to the Glory of God.”). Since JCA recognizes that no dress code will satisfy the personal views of everyone, the overriding consideration in each instance will be to determine whether a questionable practice exceeds the limits of modesty, brings discredit to the school, or offends Christian standards of decency. The school may at any time disallow any article of clothing or personal property which has a message, design, or style that does not conform to the philosophy of the school.

THE FOLLOWING ARE PROHIBITED AT JCA:

- Clothing and accessories that contain vulgar, derogatory, violent or suggestive diagrams, pictures, slogans or words that may be interpreted as offensive and which cause, or are likely to cause, a disruption within the school environment.
- All piercings other than the lower ear lobe are prohibited.
- Tank tops, tube tops, mesh tops, sheer tops, halter, bare midriff tops, or tops with shoulder straps less than three inches wide (the width of an index card).
- Tops cannot have neck lines that are lower than the straight line from the top of underarms across to opposite underarm.
- Pants worn low on the hips so as to reveal underwear or skin. Clothing must cover undergarments at all times. Pants or jeans should not have any holes.
- Dresses, skirts, skorts, and shorts that are shorter than 2 inches above the knee cap.
- Head coverings of any kind.
- Sunglasses or permanently tinted dark glasses, unless prescribed are not to be worn inside.
- No unnatural will be allowed.
- Leggings must be covered by a top that extends to the mid-thigh (as measured as the half-way distance between the knee cap and hip joint.)
- Jeggings or tight-fitting jeans will not be allowed.

If a student is found to be in violation of the dress code, the school will contact the parents to determine if they want to bring a change of clothes or have JCA provide a change of clothes. If there are any questions about the dress code, do not hesitate to call the school office.

COVID-19 Guidelines

In the event of an outbreak:

If JCA has a student, staff, or faculty member who tests positive for COVID-19, JCA will follow the CDC guidelines. Missed days may be made up as necessary to meet the academic requirements.

In the event of a resurgence or outbreak, JCA will follow all state guidelines as mandated, including switching to distance learning if in-classroom instruction is not an option.

The JCA school board may adjust or alter this plan at any time as new information and guidelines are released.

Self-quarantine

If a student or household family member has knowingly been exposed to someone with COVID-19 symptoms, they must self-quarantine according to state guidelines. JCA will provide students with the materials and classwork to continue distance learning during the quarantine period. Self-quarantined students will not be marked absent as long as they complete the required coursework in a timely manner.

ATTENDANCE AND TARDINESS

Attendance

It is expected that students be present each day school is in session. If a student is going to be absent, we ask that the office be notified by 9:00 a.m. We expect that parents will exercise judgment and not send children with contagious illnesses. A student must be fever free without the use of fever reducing medication for at least 24 hours before returning to school.

LEAVING SCHOOL

Student must be present for at least 4½ hours to be counted present for the entire day and at least 3 hours to be credited with ½ day attendance. A student missing more than 3½ hours will be counted absent for the entire day. Studies show that students get more out of the school day if unavoidable activities, such as doctor's visits, are scheduled near the end, rather than the beginning, of the school day. If student leaves school early will result in a tardy unless the student has a scheduled appointment or is ill.

PERFECT ATTENDANCE

To earn a perfect attendance, award a student must be counted present every day. One-half days are not held against the child's perfect attendance.

TARDINESS

We stress the importance of arriving on time so class schedules are not interrupted. Students are tardy if they are not in their classrooms by 8:15 a.m. If a student is late arriving to school the parent must accompany the student to the school office and sign them in.

Unexcused tardiness for six times will be treated as 1 day's absence.

ABSENCE

Regular attendance bears a strong correlation with academic success. JCA's policy encourages regular, punctual attendance.

Students who self-quarantine due to potential exposure to the COVID-19 virus will not be marked absent as long as they complete the required coursework in a timely manner.

- Excused Absences – The only acceptable reasons for absences are: verified illness of student, illness or death in student's immediate family, confirmed medical appointments, or limited pre-approved family vacations. All other absence is unexcused. Tests can be made up ONLY if the "Absentee Note" described below is received no later than three (3) school days after the last day of absence.
- All absences – All homework is to be made-up. Students have two days for each school day; missed to complete make-up work with no loss of with no loss of credit.
- Absentee Notes – Any absence requires a written, dated note of explanation signed by the parent. This note is due upon return to school. A letter from a doctor is required for an illness that lasts for more than four (4) consecutive days.
- Longer Absences – Will NOT be excused UNLESS the student obtains tutorial help or maintains contact with teachers and completes assignments in a timely fashion. In the event of extended illness, the school strongly suggests tutorial help in order that the student may keep pace with his peers.
- Excessive Absences - Teachers will be required to notify the administrator when a student reaches six absences. At that point, the administrator will contact the parents/guardian to discuss the attendance policy and discuss the student's absences. Upon ten absences, the administrator should again be notified. At that point, the administrator should make the school board aware of the situation and request the student's parents/guardian come in for a meeting to discuss the student's attendance, or the parents/guardian may be asked to attend the next school board meeting to discuss the issue and possible solutions. More than 20 absences, regardless of excused or unexcused, will result in the non-promotion of the student to the next grade.

Attendance will be taken by the teachers on morning duty and handed into the Office Manager. Any students absent should then be recorded in Sycamore. If a student checks in or out during the day, those events should also be recorded in Sycamore. The secretary should notify the school board when a student's attendance reaches the critical 6, 10, and 20 days noted above in 'Excessive Absences.'

Days absences given due to 6 accumulated tardiness are to be included in this total.

CONDUCT AND EXPECTATIONS

Students shall always treat their teachers, staff members, volunteers, visitors, and each other with respect. Students are expected to respect their teachers as the authority in the classroom, school, and school functions.

CLASSROOM BEHAVIOR

Each teacher expects the attention of each student when speaking or when there is class discussion. There will be times when students will be expected to work quietly and by themselves. There will also be times when the atmosphere is more relaxed and quiet talking will be allowed. The school atmosphere is not a rigid, disciplinary situation, but at all times, obedience and respect are expected.

CLASSROOM STANDARDS

- Students are required to have all materials needed to function properly in class.
- High School students only are required to have appropriate gym clothes for P.E. class.
- Students are not to loiter or play in the rest rooms, hallways, or stairwells.
- Students are to help maintain desks and all classroom materials and equipment, and church property.
- Boys and girls are to respect each other's privacy and personal space.
- Chewing gum is not allowed on the school campus at any time.
- Students may possess electronic devices during school hours. However, the device(s) must be kept out of sight in their locker or backpack and turned off during school hours of operation. An exception to this policy will be if the teacher authorizes the students to use a personal electronic device to complete an exercise or assignment in class. Without prior approval of the teacher, there are to be no audio or video recording. Any violation of this policy will result in the device being taken by the teacher and held till the day's end. The teacher will return the device to the parent/guardian with explanation as to why it was taken.
- There is to be no profanity or vulgar language.
- Quiet "inside" voices should be used when inside a school building.
- Writing or passing notes, playing with irrelevant objects, and eating or drinking is not permitted during class.
- Internet access is provided for use by students and teachers for educational purposes. Students may access the internet only under the supervision of a teacher. Access to email accounts requires a written authorization from the parent.

RESTROOM/LOCKER ROOM USE

Students, faculty, staff, and visitors will be required to use the restroom/locker room designated (male/female) based on their physical gender at birth. There will be no exceptions to this policy, and disciplinary action will be taken for any violation.

SCRIPTURE MEMORIZATION

As part of our ongoing Bible study, students memorize scriptures that reinforce classroom Bible lessons. This helps the student to both develop discipline in the study of God's Word and to obey the scriptural injunction to "hide the Word of God in our hearts."

FLAG EXERCISES

The American and Christian flags are permanently displayed in each classroom. Flag exercises are conducted regularly.

FIELD TRIPS

Children (including siblings) not enrolled at JCA may not accompany volunteer parents on field trips except for Fun Day/Field Day at the end of the year. ODACS rules govern the attendance of non-participants at State Competition.

DISCIPLINE

Academic and spiritual training of children within a Christian atmosphere is not possible without respect for authority from each student. Any child having continued uncorrected problems with behavior and/or disrespect will be dismissed from school.

Corporal punishment may be used at Jefferson Christian Academy, primarily in the elementary grades. It will be used sparingly and only as necessary to correct serious misbehavior. Corporal punishment will be administered by the School Administrator or by, the classroom teacher, or the parent. There will be at least two school employees or a parent and one an employee present at the time corporal punishment is administered.

MINOR INFRINGEMENTS

When minor infringements of expected conduct have taken place, the teacher will act to correct the situation. There is a difference between punishment and correction, and the latter is our intention.

SERIOUS OR REPEATED INFRINGEMENTS

Continued minor infringements or something more serious (such as lying, cheating, fighting, disobedience, or showing disrespect for authority) will result in appropriate school discipline.

PUNISHMENT

Depending upon the situation, the teacher may (a) simply discuss the student's behavior with him/her, (b) verbally and strongly reprimand the student, (c) assign work to the student, (d) give an after-school detention, (e) contact the parents OR (f) with prior parental notice, apply corporal punishment in the form of paddling [paddling is employed because it is a disciplinary method sanctioned and supported by Scripture (Proverbs 13:24)], (g) place the student on probation, (h) suspend the student, (i) or – as a last resort – recommend to the Board that the student be expelled.

PROBATION

Probation gives a student an opportunity to correct his/her problems. Probation is generally for a period of six school weeks, at the end of which, if disciplinary problems have ceased, probation is terminated. If disciplinary problems continue, a student is subject to suspension or dismissal at any time during this probation. If not already on probation prior to a suspension, the student will be placed on probation when a student returns from suspension.

SUSPENSION

During suspension, a student does not attend school. The normal length of a suspension is three (3) to five (5) school days, but the exact length will be determined by the Administrator. A conference with students, parents and the Administrator will be held before and after suspension. The student must hand in previously assigned work to receive credit. A suspension is treated as an unexcused absence in reference to class work. All tests and other work missed during the suspension cannot be made up and will receive a grade of zero.

- Suspension may be out of school or in school. The Administrator will make that decision after consulting with the parents.
- The student will not attend any extracurricular activities while suspended.
- While on suspension, the student will not be allowed on school grounds during hours of operation.

EXPULSION

The school reserves the right to remove from its rolls any student who, in the judgment of the school, does not conform either to the regulations governing student conduct or to the expressed principles, policies, and programs of the school. Examples of causes for dismissal are continued willful disobedience, habitual profanity, possession of drugs, or willful defacement of school or personal property, or continual bullying or aggressive behavior/violence toward other students or school staff.

The School Board will immediately place the student on suspension and notify parents of the reason for the proposed expulsion. Within three calendar days the Board (or its appointed subcommittee) will meet with the parents. Unless sufficient evidence not to expel is presented by the parents, the expulsion will be effective at the end of that meeting.

READMISSION OF STUDENT AFTER EXPULSION

Refer to Jefferson Christian Academy Policy and Procedure Manual

RECORD-KEEPING

Disciplinary actions will be entered on the record of the student.

CONFLICT RESOLUTION

Matthew 18 Principle – The objective of Jefferson Christian Academy is to exemplify biblical behavior, putting biblical principles into practice. Unity between the management of the school, families, students, and other groups is desirable. By using the Matthew 18 principle and giving and listening only to good reports and following the pattern of Matthew 18, in the spirit of Galatians 6:1, unity and oneness can be developed in the school that will truly glorify our Lord and Savior Jesus Christ.

MEDICAL SERVICES AND MEDICATION

The school cannot administer to students any form of medication, including over-the-counter drugs (such as Tylenol), without a signed authorization (covering a specific time period only) from the parents or legal guardians. If your child receives a minor injury, the school will administer first aid. If we believe that further medical attention is necessary, we will contact you (or other designated person) immediately. If we administer medication, parents will be notified that day.

Medication will be administered by school staff ONLY under the following conditions:

- Medication must be prescribed for the student by a physician, and must be in the original prescription container stating dosage and time(s) to be given.

- Over-the-counter medications must be furnished by the parent in the original containers.
- Blanket authorizations, which leave the school staff the decision as to when or if medications should be administered, will not be accepted.

It is vital that parents notify the school office of changes in important information: for example, a change of address or telephone number for either home or work, or a change in insurance carrier or family physician. This is critical information should there be an emergency concerning your child.

ACTIVITIES

SPECIAL DAYS

Parties are allowed on Missions Day and at Thanksgiving and Christmas. JCA does not observe Halloween in any form. Instead, during the month of October an emphasis is placed on missions. Each class will learn about a foreign country. The study will end with an activity appropriate to the area studied. To emphasize the true meaning of Christmas (the birth of Jesus), our Christmas celebration will be centered on Luke 2. There is also a special chapel at Easter.

BIRTHDAY CELEBRATIONS

Parents may provide birthday refreshments for their child's class for a birthday celebration. Parents should contact the teacher at least one week in advance.

EXTRACURRICULAR ACTIVITIES

JCA seeks to provide wholesome activities for development in a Christian environment. Advance permission must be obtained from the Board for extracurricular clubs or activities. Field trips, speakers, etc. must be approved by the Board. Sponsors of extracurricular activities must meet the criteria of a staff member: a growing Christian who models and clearly teaches God's Truth, and who cooperates closely with the coordinators, teachers, parents and students. The dress code and school standards will be followed. All materials must be consistent with the Christ-centered teachings received at JCA, home and church.

ATHLETIC, ACADEMIC PARTICIPATION POLICY

Jefferson Christian Academy recognizes the importance that participation in competitive sports can have on a child's spiritual and physical growth. Playing sports teaches young men and women the value of teamwork and the importance of modeling Christ-like behavior in all areas of their lives.

JCA strives to produce competitive athletic teams and endeavors to make sure every child who wants to play has the opportunity to do so, as long as they are making satisfactory academic progress in their classes. We believe that success in the classroom must come first and that better students do make better athletes.

As such, JCA has established the following policies regarding athletic participation in any sport or sporting activity:

To ensure the focus stays on academics, all students must have an overall C- average and no Fs in any class to participate in any sporting activity, team, or individual. This includes cheerleading and ODACS competitions. The student's grades will be re-evaluated at the mid-term and end of the nine weeks, and if their grades meet the

requirement at that time, they will regain eligibility immediately. An individual coach can choose to have a higher requirement if the board approves and communicated to the students, but this athletic participation policy is the minimum across all sports.

TIMES OF OPERATION

DAYS

Because our school day is longer (8:15 a.m. to 3:15 p.m.), the standard school year is 173 days and normally begins one week before Labor Day. Parents will receive a yearly schedule which includes Christmas and Easter vacations, normal holidays, and such other days off as required.

HOURS

The education building will open at 7:30 a.m. The school day begins at 8:15 a.m. and ends at 3:15 p.m. All students go to their respective assembly areas immediately upon arrival on school property and may not leave without permission of the room supervisor.

SNOW DAYS AND/OR EARLY DISMISSALS

Closings and delays will be posted on WDBJ and WSLs and a text/email will be sent to all families via Sycamore. The School Board will determine how many days missed will need to be made up and notify parents during the spring term.

VISITING THE SCHOOL

When coming to school for any reason other than to pick up or drop off children, please come to the school office first. We welcome visitors at any time, and you are especially invited to attend chapel. If you would like to visit a classroom during school hours, please call or come to the office, and arrangements will be made for your visit. If you need to pick up your child prior to school dismissal, please call or send a note to the office. When you arrive, please come to the office for student sign-out, and your child will be paged for you.

STUDENT GUIDELINES

Students are expected to answer truthfully and completely when questioned by JCA staff members. The student is expected to do their own work and shall neither give nor receive aid on any assignment, quiz, test, exam, or project unless their teacher has authorized it.

JCA serves a broad spectrum of evangelical churches, among which are differences of opinion as to what practices are acceptable for Christians. A student at JCA is expected to exhibit the highest Christian standards of honesty, integrity, responsibility, and love toward fellow students.

JCA encourages students to be sensitive to the many principles of Christian living that are found in the Bible. The school also imposes certain specific guidelines for the conduct of students. Although such man-made regulations cannot improve our standing in Christ, they can strengthen the life and testimony of both the individual and the school. To this end, JCA requires its students to refrain from the use of illegal drugs, alcoholic beverages, tobacco, improper language, or any form of sexual immorality.

JCA expects students to conduct themselves in an orderly, courteous manner at all times, with prompt and respectful obedience to all school personnel. JCA insists on honesty, fair play, and sportsmanlike conduct under all conditions.

Cheating, lying, stealing, an ongoing negative attitude, or willful disobedience will not be tolerated. Students are expected not only to adhere to high standards, but to promote and encourage their peers to adhere to these also.

JCA believes athletic competitions complement its curriculum and are a great way to build character, discipline, and demonstrate a Godly example to others. To ensure the focus stays on academics though, all students must have an overall C- average and no F's in any class to participate in any sporting activity (team or individual); this includes cheerleading and ODACS competitions. An individual sport can choose to have a higher requirement, if the coach so chooses, but the C- standard will be the minimum across all sports. Please see the official JCA Athletic Academic Participation Policy for the full description of the guidelines.

THREATS, VIOLENCE, BULLYING, AND AGGRESSIVE BEHAVIOR

Jefferson Christian Academy has a no tolerance policy involving threats or perceived threats of violence by students. Parents should understand that the school's first responsibility is the protection of all of its students. The school takes this responsibility very seriously.

If the school determines that a threat of violence is credible and specific (directed toward students or staff), the administration will report the threat to the student and/or staff member threatened. Regardless of if the threat was genuine, or whether the student might be capable of carrying out the threat, or the student was "just joking", all threats will be considered serious. The student's permanent record will reflect the discipline for making a threat of violence.

Students making such threats will be disciplined, up to and including expulsion. The school may also report the threat to the appropriate authorities. The school may require students in this circumstance to obtain counseling, at family expense, from a Christian counselor or other professional agreeable to the school.

BULLYING

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. In order to be considered bullying, the behavior must be aggressive and include:

- An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

Bullying will not be tolerated at Jefferson Christian Academy. Students who are bullied, or witness bullying are expected to notify a teacher or administrator immediately. In those circumstances where the school determines the incident to be a one-time thing, the school will address the incident with the students involved and contact the parents. Incidents that are determined to be repeated will result in discipline, up to and including expulsion.

IMMORAL BEHAVIOR

PHYSICAL CONTACT/IMMORALITY

Behavior should be above reproach. In accordance with the ministry's statement of faith and in recognition of Biblical commands, no immoral conduct will be tolerated. The Bible strictly forbids such conduct which includes immoral actions as well as advocating for sinful behavior. The following will not be tolerated in any form and will constitute grounds for expulsion: any actions or identifying statements advocating fornication, adultery, homosexuality, lesbianism, bisexuality, transgenderism, or pornography. (Gen. 2:24; Gen. 19:5,13; Gen. 26:8-9; Lev. 18:1-30; Rom. 1: 26-29; 1 Cor. 5:1; 6:9; 1 Thess. 4:1-8; Heb. 13:4).

DEFINITION OF "IMMORAL CONDUCT"

Bodily contact, actively undertaken or passively permitted, between members of the opposite sex or members of the same sex for the purpose of satisfying sexual desires and any bodily contact that a reasonable person would understand to demonstrate a propensity or intent to engage in an immoral or homosexual act.

A statement that a student is a homosexual, bisexual, or otherwise immoral, or words to that effect or language or behavior that a reasonable person would believe is intended to convey the statement that a student engages in or has a propensity or intent to engage in immoral or homosexual acts.

Examples: "I am gay," "I am a homosexual," and "I have a homosexual orientation."

Homosexual conduct, defined as acts of identifying statements, is incompatible with enrollment at JCA and is a basis for dismissal. All students must be treated with dignity and respect, free of threats or harassment.

Nothing will be taught at Jefferson Christian Academy that in any way contradicts the express beliefs of Riverview Baptist Church.

WEAPONS POLICY

Jefferson Christian Academy students will not be permitted, under any circumstances, to bring objects which can be used as dangerous weapons onto school property, including church/school vehicles, nor to any school sponsored activities. A violation of this policy will result in discipline, up to and including expulsion. Discretion will be used on a case-by- case basis by the administration. JCA reserves the right to deny enrollment to any student with a record of a weapons violation.

DEFINITION OF A "WEAPON"

A "weapon" means any object, device or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury including, but not limited to, any firearm, whether loaded or unloaded, air guns, pellet guns, BB guns, all knives, blades, clubs, metal knuckles, nun chucks, throwing stars, explosives, fireworks, incendiary devices, mace and other propellants, stun guns, ammunition, poisons, chains, arrows, incapacitation and audio alert devices, and objects that have been modified to serve as a weapon.

CONTROLLED SUBSTANCE (DRUGS AND ALCOHOL) POLICY

The use and/or possession of tobacco, alcoholic beverages, illegal drugs and the abuse of prescription medication is strictly prohibited. Violations of this policy at school or any school function will be subject to disciplinary action up to and including suspension and possible expulsion. Students involved in using, possessing, or selling drugs, alcohol, or tobacco may also be turned over to the proper authorities.

Pledge of Allegiance and National Anthem

Students, faculty, staff, and visitors will be expected to stand in reverence and respect with their right hand over their heart (or saluting if military) during the Pledge of Allegiance and the playing of the National Anthem. The individual should remain silent unless reciting the pledge or singing the a them.

Students, faculty and staff being disrespectful during these times will be addressed and disciplined accordingly.

DROP OFF AND TARDINESS

Parents will drop students off by forming a line in the upper front parking lot to drop off their children. If it is necessary to park in the upper parking lot, parents of K – 4 students must escort their child(ren) to the ramp. After 8:10 a.m., parents will not be allowed to drop off their child/children. In the event of tardiness, parents will be responsible for walking them into the Educational Building and signing their child/children in the school office

PICK UP

We will dismiss students at 3:15 p.m. from the educational building. Parents will form a line in the upper front parking lot to pick up their child. Please do not park in the upper parking lot. If you need to speak with a teacher, you may park in the lower parking lot and speak with them after 3:25 p.m. by calling ahead of time and scheduling an appointment. Parents picking students up before 3:15 p.m. are required to go to the 2nd level door at the top of the ramp and ring the doorbell. A staff member will meet you and assist you in checking your child out early.

PART-TIME STUDENT POLICY

PART-TIME STUDENTS AUDITING CLASS

Students who wish to audit a class will be allowed to do so. JCA will maintain no academic records for the student auditing a course for no credit. The student will be given the, except for the tests, quizzes, and exams. The student will not be required to take tests, quizzes, class projects, essential papers, and exams that need a teacher's time to prepare and grade.

The student who audits a class will assume full responsibility for getting from the type what is desired through the audit. The student is encouraged to take notes and participate in class to benefit from auditing a course.

The student who wishes to audit a class must complete an application for enrollment as a part-time student. The required fees must be paid. By enrolling to audit a course, the student agrees to abide by school policies and decorum as stated in the student handbook while on campus as a student.

A student who enrolls to audit a class will not be allowed to change the enrollment type once the class sessions have started. In other words, the student may not decide to earn credit in the class once the class sessions have begun.

Part-time students who audit a class will be charged tuition on a pro-rated basis.

Specific school and class fees will also apply. These fees must be paid in full by the second month of class. There will be no refunds if a student elects to drop the class.

PART-TIME STUDENTS EARNING CLASS CREDIT

Students who wish to attend JCA to earn credit in a class(es) as a part-time student may be admitted after completing prerequisite course work (e.g., Algebra I before Algebra II). Students wishing to take advanced level classes must demonstrate they are prepared for the advanced courses. Academic course records and achievement test results can be used to demonstrate preparation for an advanced class. The student will be expected to participate fully in the class. All class assignments and work required of the course must be completed successfully in order to earn credit. The student enrolling in a class agrees to abide by school policies and decorum as stated in the student handbook while on campus as a student.

The State of Virginia and Jefferson Christian Academy attendance requirements for the class must be met in order for class credit to be earned. JCA will maintain class grades and attendance records for the part-time student taking a class at JCA for credit. Once the course is complete, and all fees are paid, a transcript will be issued showing the grade and credit earned in the class taken.

Jefferson Christian Academy will not assume the responsibility of seeing that a part-time student meets the requirements of a school, the state, or the county for graduation from high school. JCA will not assume the responsibility of seeing that a part-time student meets the requirements for college admission. JCA will not be responsible for achievement testing or college entrance testing of the part-time student.

Part-time students will be charged tuition based on the number of classes taken. Specific school and class fees will apply to part-time students. Of course, these fees must be paid in full by the second month. No refunds will be made if a student elects to drop the class.

ATHLETIC PARTICIPATION FOR HOMESCHOOL/PUBLIC SCHOOL STUDENTS

JCA sports are open to home school students and public-school students. However, JCA students will be given priority. Home school and public-school players are welcome on a first come, first-serve basis. Home school and public-school players who have previously played with JCA will also be given priority.

Home School and public-school students who wish to participate in JCA sports should let their coaches know by July 15th for Fall/Winter sports. Failure to notify the coach does not prevent them from playing on the team. It just means they lose their priority as a previous player.

Jefferson Christian Academy will allow students who are either homeschooled or attend public school to participate in athletics, provided they:

- Adhere to the Academic Participation Policy, which will require the students to provide proof of their academic grades to their coach as requested. For Homeschooled students ...?

- Meet all requirements of any athletic association in which JCA is actively participating. (For example, if the association requires that a student be “associated” with Jefferson Christian Academy, the student must meet that requirement by enrolling in at least one course offered by Jefferson Christian Academy. This could include a self-paced Bible study.)
- The student should sign a JCA Athlete Letter of Agreement and agreement with Jefferson Christian Academy’s beliefs and constitution.

All student-athletes and their parents must review and sign the Athlete Letter of Agreement each year before they will be allowed to participate in a sport. The athlete must adhere to the agreement made by that letter while participating, or they may be removed from the team.
