THE POWER OF MUSIC

Background Noise

There is background noise in all of our lives. We don't realize there is a soundtrack playing: in a grocery store, coffee shop, or a box store. You're not aware of it, but the music gets into your brain and you start humming "that song" when you get home—**THAT'S THE POWER OF MUSIC AND BACKGROUND NOISE.**

Background noise can be very subtle (or not). One thing is clear: every life and every home has a **SOUNDTRACK**. Whether you choose it or not is a different question. The **SOUNDTRACK** that you choose can lead to death or life—depending on what you select.

Background noise sets the tone for what happens in your life.

REPORT OF THE TEN SPIES

Doubt: "we are not able."

Self-depreciation: "we are little in their sight."

Fear: "they were afraid."

Critical spirit: influenced the congregation.

The Results:

Then the men who had gone up with him said, "We are not able to go up against the people, for they are stronger than we are." So they brought to the people of Israel a bad report of the land that they had spied out, saying, "The land, through which we have gone to spy it out, is a land that devours its inhabitants, and all the people that we saw in it are of great height." Numbers 13:31-32

Then all the congregation raised a loud cry, and the people wept that night. And all the people of Israel grumbled against Moses and Aaron. The whole congregation said to them, "Would that we had died in the land of Egypt! Or would that we had died in this wilderness!" **Numbers 14:1-2**

O.T. INSTAGRAM 2 CHRONICLES 5

DEDICATION OF THE TEMPLE

Diligence: "All the work ...was finished."

True worship: "The elders took up the ark."

Sacrifices plus: "sacrificing so many sheep—could not be numbered."

God's glory: "priests could not minister for the glory of the Lord."

The Results:

And when the priests came out of the Holy Place (for all the priests who were present had consecrated themselves, without regard to their divisions, and all the Levitical singers, Asaph, Heman, and Jeduthun, their sons and kinsmen, arrayed in fine linen, with cymbals, harps, and lyres, stood east of the altar with 120 priests who were trumpeters; and it was the duty of the trumpeters and singers to make themselves heard in unison in praise and thanksgiving to the Lord), and when the song was raised, with trumpets and cymbals and other musical instruments, in praise to the Lord,

"For he is good, for his steadfast love endures forever,"

the house, the house of the Lord, was filled with a cloud, so that the priests could not stand to minister because of the cloud, for the glory of the Lord filled the house of God. 2 Chronicles 5:11-13
