

WE REGRET

to inform you that **Tommy Tenney** is hospitalized having had multiple surgeries this week. The doctors have a positive prognosis in that they believe they will be able to save his leg. However, he is facing a long process of healing, including possible additional surgeries. **We will be having a time of special prayer this morning for his healing that he will be able to continue his international ministry. We know that God's hand is on his life and in this situation.**

QUOTE OF THE WEEK

"The long series of disappointments you accumulate in a lifetime can stop you from moving forward into all the goodness God has planned for you – and that means they'll be stopping not only you, but also all those God has destined you to reach along your life journey." – Christine Caine
