How do we find ourselves in the wilderness?

- Through a crisis: Moses murdered someone
- After a spiritual victory: the Passover/crossing the Red Sea.

Have you experienced a wilderness time?

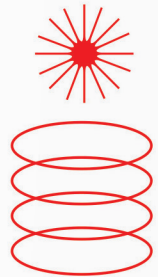

- A financial circumstance that is burying you.
- Waiting for an adoption to be finalized.
- Lacking clarity after graduation.
- Loss of employment.
- Attempting to sell a house that has been on the market too long.
- An illness that won't go away.
- A dream that is turning to disappointment.

1 THE CHILDREN OF ISRAEL COMPLAIN

Numbers 11:1-6

- The people were sick of manna.
- They recalled the variety of food they ate during slavery days.
- They lost sight of their blessings.
- Complaining in the wilderness starts a downward spiral that can lead to despair and hopelessness.
- Whining can lead to a total shutdown.

Here's what it led to:

And all the people of Israel grumbled against Moses and Aaron. The whole congregation said to them, "Would that we had died in the land of Egypt! Or would that we had died in this wilderness! Why is the Lord bringing us into this land, to fall by the sword?"

Our wives and our little ones will become a prey. Would it not be better for us to go back to Egypt?" **Numbers 14:2-3**

2 MOSES SOUGHT HELP

This is a Moses meltdown.

He is weary and overwhelmed.

The people are wailing.

He feels all alone and used up.

He is over the edge...

[MOSES TOOK HIS BURDEN TO GOD]

Silence in the desert can be baffling.

People may think God does not care.

God may be slowing down our pace.

He may want to restore something.

3 GOD GIVES MOSES STRENGTH

Numbers 11:16-18

- God came to His rescue.
- God also provided meat for the people.
- God provided additional leaders.

-God gave them clothing that didn't wear out.

-God gave them victory in battle.

-God gave them laws for their society.

-God gave them The Tabernacle to meet with Him.

-God gave them the sacrificial system.

-God also weeded out the faithless people in their midst.

GOD WANTS TO PREPARE YOU FOR WHAT'S NEXT...
