LET HOPE IN

- Choosing to transform instead of transfer.
- Choosing to trust rather than please.
- Choosing to be okay with not being okay.
- Choosing to free people rather than hurt them.

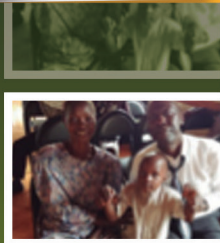

Join us for four Tuesdays of practical, inter-active learning! Get unstuck. Say goodbye to regret and shame—move forward and serve a God who promises that anything is possible!

Each week everyone will be asked to fill out a Connection Card in order to **"MEASURE"** our church in five key areas. There will be a summary report each week in the bulletin that identifies those five key metrics.

Please turn in your card each week. Members, leaders and guests will be asked to turn these in.

Last Sunday, I preached in two services in **Uganda**. During the second service, I prayed for a young boy who was born with a deformed heart. The deformed heart caused him to breath all the time like he had been running a race. When I laid my hand on his chest, I could feel the heart beat. **His heart was beating so fast and hard** that it was pushing my hand away from his chest. Within seconds of putting my hand on his chest, **God miraculously** caused the heart to begin to function normally. I felt it in my hand. It happened as I laid my hand on him. I felt the boy's heart slow down and start to function normally. All I can say is **glory to God!** -Drake Bulwa
