Year End Appreciation

Dear friends,

If we ever needed to be reminded to be flexible, this was the year to do that! Who had any idea of the dramatic changes we would experience in 2020? Schools, businesses, and churches were closed, people were isolated from each other, and we all became very familiar with Zoom! We were stretched financially, emotionally, and spiritually.

This was true for LivingWell Pregnancy Center as well. On March 19th we closed our doors, but only for 7 business days. We continued to take calls on our hotline though, listening to our callers' concerns, answering their questions, and often praying with them. We reopened on March 30th, after we were able to ensure we were providing a safe environment for our clients and staff.

Our priorities remained the same, to help our clients in their time of need, offering them hope and solutions. As it became more difficult for people to even get in to see a doctor, we were there for them. We were kept very busy, counseling women, helping them with material needs, and showing the

Covid-19 has brought new financial challenges for LivingWell. Although we were able to continue serving our clients, we were unable to hold our traditional fundraisers. As you know, we do not charge for our services, and we do not take any government money. Since we were unable to hold our traditional Walk for Life, the Golf Tournament, and our Annual Banquet, we have experienced a dramatic shortfall in operating income. This is where you can help.

If you believe in the services we are providing—helping women, saving babies' lives, and giving hope where it was lost—please consider giving your best gift of financial support to LivingWell Pregnancy Centers. You may give a one-time gift or commit to monthly support. You can make a huge difference. We are very grateful for whatever you can do in support of LivingWell.

Praying for each of you God bless

With love,
