

Prayer Ministry

God's Word instructs us that we should pray (1 Thessalonians 5:17), and we're told that our prayers are powerful (James 5:16). Therefore, we want to be a praying church. At Kindred, we love to pray, not only for physical needs, but also for spiritual needs such as confession of sin, spiritual growth, and the advancement of God's kingdom.

The Sheepfold

The Sheepfold is one of the local oriented ministries that we partner with as a church. It is a Christian

ministry designed to equip mothers with children who are suffering from homelessness or abuse to be able live on their own independently and not be tempted to return to their abuser and destructive lifestyle.

Special Helps Projects

As part of our Deacon ministry, we offer support and assistance to our

widows and senior adults who are not able to complete certain maintenance and operational projects related to their living spaces. Members desiring this assistance are encouraged to reach out to Deacon Mike Regn or the Pastor of Care to obtain more information about possible assistance.

Widows Care

The intent of the Widows Care ministry is focused on ensuring that the various needs of Kindred's widows are addressed in a biblical and timely fashion. James 1:27 reminds us that "Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress..."

Weddings and Memorials

Kindred desires to be available to provide support in the planning and coordinating of the weddings and memorial services of its members, which are held at Kindred. For more information contact the church office.

Youth Holiday Cleaning and Decorating

Our High School students look forward to assisting our widows and senior adults with the decorating and cleaning of their homes for Thanksgiving, Christmas, and other holidays. Members desiring this assistance are encouraged to reach out to our Pastor of Student Ministries or the Pastor of Care to arrange for assistance.

"Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our affliction so that we will be able to comfort those who are in any affliction with the comfort with which we ourselves are comforted by God."

2 CORINTHIANS 1:3-4

Biblical Counseling Ministry

Biblical Counseling is the process of helping real people with real problems using the Bible as the source of answers (2 Tim 3:16-17). Kindred is committed to equipping its members and others in coming alongside God's people with biblical help and hope for the various issues and circumstances of life, as well as providing practical discipleship and counseling care for the body of Christ.

Cancer Care

The Cancer Care ministry at Kindred is focused on providing comfort and support to KCC Members and their Care Givers when they have been diagnosed with cancer. Our goal is to help members follow a Biblical model when facing cancer, and help them better understand who their God is and the hope He offers.

Care 1:27

Care1:27 exists to minister to families within our church body who are impacted by foster care or adoption. If you are currently fostering, have adopted, or are seeking information about foster care or adoption, we would love to connect with you!

Compassion in Action

In conjunction with Life Groups and other small groups at Kindred, this ministry is focused on providing meals to families who are currently facing challenges due to significant life events such as births, surgery, severe illness, and death. Contact the church office for more information.

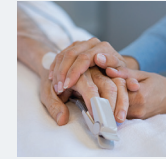

Grief Care

The Grief Care Ministry seeks to provide comfort to members who have lost loved ones, pointing them to Christ - the ultimate Comforter. Our goal is to help our members follow a biblical model for grieving, rather than grieving as those without hope.

Homebound Visitation

The Homebound Care Ministry seeks to ensure that members of Kindred who are not able to participate in-person in the ministries of the church stay connected with the church family. Our goal is to maintain regular and consistent contact with homebound members through in-person visits, telephone calls, and other means of connection.

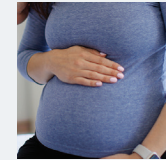

Hospital Visitation

The goal of the Hospital Care Ministry is to provide personal care and connection with Kindred members currently admitted to the hospital (and or in a rehab facility). Personal care is expressed through consistent individual visits, phone calls, notes, and other forms of connection.

Joy in the Mourning

This is a ministry focused on helping widows find joy and purpose after the loss of a spouse. This group meets for lunch the first and third Tuesday of each month for encouragement, fellowship, and support.

LivingWell

LivingWell desires to equip women and their families who are facing an unplanned pregnancy to make life affirming and informed choices through a foundation of hope. For those who have experienced abortion at any time in their lives, we offer judgement-free guidance towards healing and restoration. Our services include pregnancy tests, ultrasounds, well-women exams, post-abortion group support, baby boutique, Mentor Mom programs and community connections.
