

KINDRED HOMEBOUND VISITATION MINISTRY

The Homebound Visitation ministry seeks to provide encouragement and support to homebound members by helping to maintain a connection with church family and ministry.

OBJECTIVES:

- Come alongside and maintain a connection with our homebound Kindred members and their families through regular visits, phone calls, emails, and texts.
- Encourage our homebound members with God's promises, truths, and comfort found throughout the Scriptures.
- Being there. Sharing in their challenges by our presence, God's Word, our prayers, and times of laughter and tears.

God will use our simple love and care for the joy and comfort of the person who is homebound, their family, and the ones who visit.

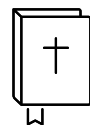

The driving purpose in all of our service is God's glory!

Bear one another's burdens, and so fulfill the law of Christ.
