

KINDRED HOSPITAL VISITATION MINISTRY

The Hospital Visitation ministry seeks to provide encouragement and support to members who are suffering sickness, injury and are isolated in the hospital.

OBJECTIVES:

- Come alongside and support for our Kindred church members and their families through times of sickness, injury, and pain.
- Encourage our members who are in the hospital and rehab facilities with God's promises, truths, and comfort found throughout the Scriptures.
- Being there. Sharing in their challenges by our presence, God's Word, our prayers, and times of laughter and tears.

God will use our simple love and care for the joy and comfort of the person who is sick, their family, and the ones who visit.

“We must be diligent in visiting the sick and helping them to prepare either for a fruitful life, or a happy death.”

Richard Baxter, Puritan Pastor
