MLA CAPITAL CAMPAIGN

MLA is thrilled with the progress of the *Following His Steps* Capital Campaign. Fill dirt is currently being removed from the property to provide the ability for installation of the grass field as well as additional parking. We are blessed to have the needed funds to complete this step, but still need your support. The next step, is the building of seven additional classroom spaces, bathrooms, and more. This portion of the project will cost around \$2.5 million.

If you would like to support MLA growth by donating to *Following His Steps* Capital Campaign, visit MARTINLUTHERACADEMY.ORG, or scan QR code.
