MERCY SHIPS PRESENTATION KICKS OFF MISSIONS WEEK

SUNDAY, MARCH 23

Global Missions Week will kick off on March 23 as we welcome special guests, Bob and Sherilyn Cook, from the Mercy Ships organization to share of the wonderful work volunteers are doing on the other side of the world.

Mercy Ships is a compassion organization that offers hope and healing to some of the forgotten poor on the continent of Africa. Utilizing two hospital ships, they provide free surgical care for African patients, plus training for African healthcare professionals who are brought onboard for classroom study and the use of our surgical simulation areas. All personnel (700-800) serving onboard the ships are volunteers who serve anywhere from a few weeks to a year or more. Join us in prayer and discussion during this special presentation during education hour on Sunday, March 23..
