NOTES OF THANKS

FROM BRIAN, SARAH & ELLIOT POPP

We would like to send a message of gratitude for the many prayers and kind words that the King of Kings community has offered to the Popp family this past year. Our now newborn son, Elliot, was born healthy and vibrant on January 17, 2023. Elliot was diagnosed with Dandy-Walker malformation at 19 weeks gestation, which was a scary diagnosis filled with unknowns. We leaned on God for guidance and healing and asked family and friends, including those at King of Kings, to keep us in their prayers. After a second MRI at 34 weeks, it was confirmed that the malformation was no longer there. His brain showed no signs of Dandy-Walker! We thoroughly believe God has worked a miracle and through the power of prayer and reliance on Him, our sweet little boy was born healthy. Thank you so much to those who prayed for us.

We would also like to send many thanks to Helping Hands who provided delicious food to us after he was born. It was a tremendous help to have meals on hand when we were sleep deprived and had our hands full!
