Tithes & Offerings

Next week is Mother's Day. Believe it or not, Mother's Day is one of the most attended Sundays in the church nationwide. Why? Perhaps it's because lots of children (of all ages) know that what Mom wants most on Mother's Day is for her children to worship the Lord with her.

Do you know what that means? Next week we may have the opportunity to meet & greet some sons & daughters who may not come to church regularly. This is what we live for.

Just as moms who love Jesus have a deep concern for the spiritual wellbeing of their children, we here at Lifepoint Church have a deep concern for every person living life without Jesus.

Everything we do here, all the hours we spend preparing for Sunday & serving in ministries throughout the week, is done in anticipation of people.

We love it when people who are part of the church are built up & growing in Christ. And that's happening every week. But it's a special celebration when someone comes to Christ for the first time. Jesus said so in Luke 15:

After telling the parable of the lost sheep, Jesus tells of the joy when one lost soul is found: **7 I tell you that in the same way there will be more rejoicing in heaven over one sinner who repents than over ninety-nine righteous persons who do not need to repent.**

Today we want to remind you that when you give you help fuel a ministry that is actively looking for those lost sheep. The sons & daughters of this community all need the Lord, just like we do.

We are so thankful that the generous people of this church are willing to give their resources to help us find them. Thank you for being a generous church.

Mother's Day Celebration & Child Dedication

Every mother in attendance on Mother's Day will receive a gift. Mom, are you considering having your church provide you with the opportunity to celebrate the dedication of your child(ren). God has granted you a wonderful gift, in your child(ren), & it excites our church to see parents recognize God's blessings & their desire to praise Him for such blessings.
