WHAT IS COMPASS?

Compass is our Catapult short-term evangelism program. In the summer we will be going to La Paz, Honduras where our church has partnered with Compassion International to sponsor children. This will be our 3rd year going to Honduras.

Our Compass program seeks to expose students to other cultures, to broaden their view of God's mission, deepen their love for Jesus and challenge them to serve and lead.

REQUIREMENTS

Our Compass trip is only 1 week long but there is training and preparation that is just as important. There are three things that are mandatory for our program: (1) Attendance, (2) Participation and (3) Fundraising.

(1) Attendance: For everything on our schedule, we expect students to come on time and prepared.

(2) Participation: More than just attending everything on our schedule, we want students to be actively involved and engaged.

(3) Fundraising: The fundraising that we will do is 2-fold. There will be individual fundraising that happens mostly through support letters. There are also team fundraisers that we will do with our entire church. Financial goals are due by June 21st. All contributions to the trip (deposit) are non-refundable. We will also monitor our safety and the circumstances surrounding our trip closely, if need be, the leadership at our church can cancel. In the event that our trip is canceled, we will be issuing full refunds.

SCHEDULE

The goal of Compass is not just to prepare students for a week long trip but to learn what a gospel community looks like. Practical training, team building and spiritual growth are all major components in our training.

In addition to the 1 week trip, our program will include: 4 training sessions, 1 local service event, 3 team fundraisers and 1 team debriefing. The following is a tentative schedule of our program. If any dates or times change, advanced notice will be given as soon as possible for your convenience.
