CELL GROUP DISCUSSION QUESTIONS

Get to Know

1. In what ways are you most different from when you were in high school?

From the Sermon

2. Read Ephesians 4:17-32. What insight, principle, or observation from this weekend's message or personal devotions did you find to be most helpful, eye-opening, or troubling? Explain.
3. The speaker said that the process of change begins with a change of mind (also Romans 12:2). In what ways can a change of mind also change your conscience and intention. In what ways is it unable to change the latter?
4. Ephesians 4:25-32 seems to be presenting a set of moral behaviors that is also practiced by other religions. What is the difference between the moralities of other religions and what Christianity is proposing here?

Beyond the Sermon

5. In your own life, what areas of life do you need greater change in? Share specifically an area of life and ask for prayer.
