ANNOUNCEMENTS

1. Real Conversation Sermon Series | Sep 10-Oct 1

What makes believing hard? The church continues to be biblical and relevant to make a difference in the hearts, minds, and lives of people. But some of the realities of life make it hard to believe. From September 10 to October 1, we will tackle some of the issues that plague our faith including silence, gender identity, disabilities, and doubt. We will be taught by a mixture of in-house and guest speakers, so please plan on being here and inviting a friend. [See here for more details.](#)

2. Cell Group Sign Ups | Aug 20- Sept 30

Exciting news! Cell Group sign-ups are officially open, offering you the perfect chance to get connected in community. Join us for an informative session on joining a First Cell by visiting the open house on August 20th (after each service). Signup with the cell group interest form to receive information and updates.
