ANNOUNCEMENTS

1. Real Conversation Sermon Series | Sep 10-Oct 1

What makes believing hard? The church continues to be biblical and relevant to make a difference in the hearts, minds, and lives of people. But some of the realities of life make it hard to believe. From September 10 to October 1, we will tackle some of the issues that plague our faith including silence, gender identity, disabilities, and doubt. We will be taught by a mixture of in-house and guest speakers, so please plan on being here and inviting a friend. [See here for more details.](#)
