Cell Group Discussion Questions

Get to Know

- Ice Breaker – If you can select what age (your personal age) and year (i.e. 2024) to live in forever, what would you choose and why?

From the Sermon

- 1) Review the slides from the sermon linked here. What are some observations and/or questions you have about the text?
- 2) According to the speaker, why was Daniel mourning in Daniel 12:3? What were some thoughts and feelings Daniel was probably experiencing?
- 3) According to the speaker, who is this strange man of all the visions, and how do we know that?
- 4) According to the speaker, what is the Gospel spoken in the book of Daniel?

Beyond the Sermon

- 5) Most in the US live about 85 years and plan accordingly. If we lived 300 years, how would you plan your life? Would it look any different? How about if you lived 1,000 years?
- 6) What is one thing that you can do this week that is an investment in eternity? Do that.
