Cell Group Discussion Questions

GET TO KNOW

- Ice Breaker – Share a high and a low for the week.

FROM THE SERMON

- 1) See all the Bible texts used in the sermon below. Choose a few. What are some observations and/or questions you have about the texts? Can you formulate your own working definition of healthy sex according to the Bible?
 - Matt 19:3-6 / Gen 2:23-24 / 1 Cor 7:1-9 / Lev 18:16-23 / Ps 51:1-4 / Matt 5:27-28 / Gen 1:26-27 / Rev 22:14-17 / 1 Cor 6:18-20 / Isa 54:5-6
 - Speaker's Definition of healthy sex based on the Bible – sex is for loving oneness for marriage between one man and one woman (and all else is immoral and ungodly).
- 2) What are the 4 secular views of sex the speaker noted from Caroline Simon's Bringing Sex Into Focus, and can you briefly define them?
- 3) According to the speaker, how does the Bible show that human sexual integrity is important to God?

BEYOND THE SERMON

- 4) Think again about the 4 secular views of sex from Caroline Simon. Is there a particular view that you hold on to, knowingly or unknowingly? How has it been affecting your sexual integrity? Is there anything you should repent about? Anything you need help with? Pray and reach out to a trusted person accordingly this week.
