ANNOUNCEMENTS

1. LA Wildfire Support & Donations

Living Hope is partnering to help those impacted by the LA wildfires by preparing food care packages and providing supplies to organization on the frontlines. If you would like to support this effort, please donate using this form. We also received information from our Brea Fire Chief, Mark Terrill, on other ways our church can help the relief efforts for the fire devastation (info in the form).

2. First Lunch | Feb 2

Are you new? Have you been with us for a while but want to get to know the church more? Join us at First Lunch! Sunday, February 2 at 11am in the upstairs Common Room. We provide the food for everyone! Please come hang out with some of our church members and listen to a presentation on what our church is really like. For assistance, please contact Pastor James Lee (james.lee@livinghopecc.org).

We've partnered with several churches in Brea to host this event. Last year we had over 80 families affected by disabilities attend. We are hoping to host even more families this year. Cell Group Discussion Questions

GET-TO-KNOW

- Ice Breaker – If you could immediately become really good at any hobby or profession what would you choose?

FROM-THE-SERMON

1. According to the sermon what is the difference between being a person who is faithful vs. being a person who is full of faith? Between the two, which one do you feel like you naturally gravitate to?
2. What are some of the reasons that we can be susceptible to having a waning faith that causes us to fall into a Christian routine without a relationship with Christ? If you were to put yourself in the Israelites situation, what do you think was the cause for their waning faith?
3. How do we become people who balance being disciplined and putting in effort but also at the same time learn to find our sense of successful spirituality to be solely dependent on Jesus?

BEYOND-THE-SERMON:

4. For yourself:

Identify an area of your life that you do not often pray about because you want control over it, or you do not think you need God's help, or you have a set schedule already, etc. Consider how you can surrender this over to God

5. As a group:

As a Cell Group, how can we spur and challenge each other on when we find ourselves stuck in a routine with God rather than a relationship with God?
