## ANNOUNCEMENTS

### 1. Growing in the Word 2025 | Galatians “What Really Matters”

A top priority for our church this year is to grow in the Word together. Although all Christians should always aim for such goal, we have set growing in the Word as one of the three church wide initiatives for 2025. To actualize our desires together, we will be going through the book of Galatians from March 2 to April 6. Under the series title "What Really Matters," each chapter of the book will be preached per Sunday.

A study guide created just for Living Hope has been distributed in print and in digital form. We are asking cell groups to meet every week throughout the time. Cell group leaders can receive optional training every Sunday at 1030am to 1130am - please inquire with Pastor Ben Tabbal (ben.tabbal@livinghopecc.org). Individuals without cell groups can also follow along using the study guide. We invite everyone who worships at Living Hope to grow together in the Word through this sermon series!
