If you are a member of our church, please look for the nomination form via email on Sept. 28. Please prayerfully nominate men and women (who are members of LHCC) for deaconship for the 2027-2028 term.

Cell Group Discussion Questions

Breaking the Ice:

1. What kind of activities or experiences in life tend to inspire you or fill you with energy?

Digging Deeper:

2. Read Matt 10:16-25. To what degree does this passage feel like it is applicable or relevant to a Christian living in America? What kind of persecution do we face and how should we respond?
3. In the sermon it was shared that there are 3 kinds of people according to the Bible: non-believer, believer, and disciple. Which one would you categorize yourself as and why? What helped you to be where you are in your journey?
4. Read Matt 10:26-33 - Jesus is challenging the disciples to have a courage that stems from a greater confidence in God's care and ability to provide for us. Does the way you live right now reflect that you have a great confidence in God's ability to provide for you or a great confidence in yourself to provide? What contributes to this life style?
5. Oftentimes we think we need more Bible studies, more mature small groups, more in-depth sermons, etc in order to become a disciple. While all of these are good, none of them will make us disciples. The reality is that discipleship requires more surrender to God and more obedience to His word. As a group share about areas of your life where you struggle to give God control or areas where you struggle to live the way God has called you to live

Practice for the Week: See, Be Moved, Pray & Go

6. Begin each day with this prayer: *"Lord, show me how to live every second of this day for your glory. Show me how to be your disciple"*

This week, pinpoint an area of your life where you have no dependence on God and seek no involvement from God. Is your work/career a space in which God has dominion? How about on your free Saturdays? Discipleship is about following God in *EVERY* aspect of your life. Let's spend this week focusing on giving God lordship over more areas of your life.
