SERMON NOTES

“Cloud by Day, Fire by Night”

Exodus 13:21-22

Pastor Jeff Hyun

The Pillar of Cloud & Fire Represents:

1. God's _____ and _____

Exodus 13:21-22 – 21 And **the Lord went *before* them** by day in a pillar of cloud **to *lead* them along the way**, and by night in a pillar of fire to give them light, that they might travel by day and by night. 22 The pillar of cloud by day and the pillar of fire by night did not depart from before the people.

2. God's _____ and _____

Exodus 14:19-20 – 19 Then the angel of God who was going before the host of Israel **moved and went *behind* them**, and **the pillar of cloud moved from before them and stood *behind* them**, 20 coming between the host of Egypt and the host of Israel. And there was the cloud and the darkness. And it lit up the night without one coming near the other all night.

Exodus 14:24-25 – 24 And in the morning watch **the Lord in the pillar of fire and of cloud looked down on the Egyptian forces** and threw the Egyptian forces into a panic, 25 clogging their chariot wheels so that they drove heavily. And the Egyptians said, “Let us flee from before Israel, **for the Lord fights for them against the Egyptians.**”

3. God's _____ and _____

Exodus 19:16-18 – 16 On the morning of the third day there were thunders and lightnings and **a thick cloud on the mountain** and a very loud trumpet blast, so that all the people in the camp trembled. 17 Then Moses brought the people out of the camp to **meet God**, and they took their stand at the foot of the mountain. 18 Now Mount Sinai was wrapped in smoke **because the Lord had descended on it in fire**. The smoke of it went up like the smoke of a kiln, and the whole mountain trembled greatly.

CELL GROUP DISCUSSION QUESTIONS

Breaking the Ice:

As we start this new cell year, what is one hope you're carrying into this season? (either for yourself, your family, or your community)

Digging Deeper:

Point #1 - The pillar of cloud/fire represents God's guidance and leadership

Read Exodus 13:20-21. What stands out to you about the way God leads Israel in Exodus 13:20–21, and how does that shape the way you think about God's guidance and leadership in your own life?

What is one area of your life where you are currently seeking God's guidance and leadership?

Point #2 - The pillar of cloud/fire represents God's protection and care

Read Exodus 14:19. What do you notice about the movement of the pillar—from the front to the *rear*? Why does God do this and what does this reveal about who He is?

In what area of your life do you feel exposed or overwhelmed right now – and needing to trust in God's protection and care?"

Point #3 - The pillar of cloud/fire represents God's presence and nearness

Read Exodus 24:15–18. What similarities do you see between Moses entering God's presence for the people and Jesus' work on our behalf in the New Testament?

Application:

Jesus not only made a way for us to enter God's presence – through Him, God's presence now comes to dwell within us. What was once distant and restricted is now near and abiding.

Share one simple practice that could help you become more aware of God's presence this week, and consider committing to it each day.
